### Women's Health Matters- End Inequality Pandemic

Women's Health was the focus of an event held at ACDS. Students from the first year performed a skit on the same subject, depicting the situations of women in rural and urban areas, as well as some health issues. There was an open discussion about how the government should take action to improve the medical conditions of women. An intern gave a presentation that included a graphical representation of changes in women's health issues. Dr. Subramanya Sharma, Principal of ACDS, delivered the closing remarks.

## Program On Women's Self Defence

Army College of Dental Sciences organized a women's self-defense program on 22<sup>nd</sup> April 2022. This program was conducted to enable women to defend against any type of physical assault and build self-confidence so that they can contribute meaningfully to their own development, shape their own destiny, and capacity enhancement through Self-defence training. This program was organized by the Department of Public Health Dentistry. All girl students participated in this program with great excitement. Students are given positive feedback about this program and they said this kind of program sharpens their reflexes, keep them fit, reduce stress, and raises self-awareness.

## Awareness Program on Gender Sensitization

A talk on the topic “Awareness program on gender sensitization” was organized on 06-05-2022 in Army College of Dental Sciences premises. Dr. Soujanya, Reader, Department of Conservative Dentistry & Endodontics was the resource person. She spoke about gender equality and inequality, reasons for gender discrimination, and sexual harassment in the workplace. The need for gender sensitization is to create awareness among the working professionals about the importance of gender sensitivity in the organization. The session ended in a very interesting and interactive manner. Students were participating and asking their doubts openly. The resource person addressed and clarified the questions asked by the participants.

## Summary

An induction program was conducted for the MDS Batch 2021 from 11<sup>th</sup> November to 22<sup>nd</sup> November, 2021. This one-week programme was initiated by Dr. Subramanya Sharma, Principal and coordinated by the Dental Education Committee. i.e. Dr. Krishna Priya, Dr. Ajay Reddy, Dr. Madhusudhana Rao, Dr. Soujanya, Dr. Pratima Soni and Dr. Sai geeta. The first day of induction program was graced by Dr. Subramanya Sharma, Principal, Col. P.G. Krishna, Registrar, Head of various departments and all the teaching faculty members. All first year MDS students and few parents attended the program. The program began with the lecture "Introduction to ACDS", by Dr. David Tyro, Senior Lecturer, Department of Oral and Maxillofacial Surgery, followed by the Welcome address by Principal Sir. Dr. Sukhvinder Bindra enlightened students with "Outcome based education programme". On the following days of the program, the MDS students were given an insight into topics like details of MDS Syllabus, mentorship program, Sexual Harassment, documentation of dental records, importance of clinical case recording, dental photography, effective seminar presentation, Research methodology, basics of biostatistics and bio ethics, Principles of Andragogy, interdisciplinary management of clinical cases, soft skills, PBL, CBL and computer skills by faculty members of various departments. They were also introduced to college committees, anti-ragging and code of conduct. Students visited all the Departments and interacted with Head of the Departments and faculty members. Faculty members explained about the facilities available in their departments. The overall program was well received by all the MDS 1<sup>st</sup> year students with positive feedback.

## **Human Values and Ethics**

Army College of Dental Sciences organized a Lecture on the topic '**Human Values and Ethics**' on **21st Dec 2021** in the Lecture hall 4 at 9:00 am. All the students attended the lecture. Human values are the guiding principles of all our thoughts, beliefs, behaviour and actions. As the main anchor of our actions, they guide us towards our success. Professional ethics enshrines personal and institutional rules that govern behaviour within the context of a particular profession. Our Institution instils human values and professional ethics into the minds of the staff and the students to facilitate development of holistic perspective among them towards their personal and professional life.

The orientation program for BDS 2021- 2022 was of 8 days, starting from 23<sup>rd</sup> march to 31<sup>st</sup> march, 2022. A variety of activities were conducted during this duration. Day 1 began with a welcome address by the principal, Dr. Subramanya Sharma, followed by a welcome address by the registrar, Col. P G Krishna. Then, there was a video presentation on ACDS, covering campus life, facilities, and amenities by students; and an introduction to heads of departments, and administrative heads, both of which were conducted by Dr. Surya Teja (intern). After this, there was an orientation for parents and guardians on the BDS program, statutory bodies, curriculum, syllabi, and outcome-based education needed for learning medical subjects in the medical college, for 1<sup>st</sup> and 2<sup>nd</sup>BDS, and 3<sup>rd</sup>-year clinical medical subjects at, military hospitals. After a tea break, there was an awareness program for parents about psychological counseling, soft skill development, mentoring, and coaches for sports and cultural events, presented by Dr. Mamta Kaushik. Following this, Dr. Mrunalani Koneru shed some light on safety and security in the campus, hostel safety, hostel rules and regulations, emergency care, and grievance redressal mechanism. After this, there was a visit to the departments of anatomy, physiology, and biochemistry led by Dr. Saigeeta. After lunch, there was a guided tour of the campus, led by Dr. Kiran and Dr. Niharika.

The events of Day 2 started with a speech on the dental education unit and behavioral sciences unit by Dr. Madhusudan Rao followed by a visit to the college library and departments of dental anatomy and histology, microbiology, pathology, and pharmacology led by Dr. Saigeeta and Dr. Kiran. After lunch, Dr. Vaishnavi and Dr. Navaljeet introduced the students to sports and cultural activities and the formation of various clubs in the college.

Day 3 began with Dr. Mayuri Dinesh talking about research as a learning tool, critically appraised topics, ICMR- STS scholarships and the awards and prizes to be won; followed by Dr. Prathima (PHD) informing the students about the various scholarships to be applied for every year. After the tea break, Dr. Saigeeta, introduced the students to various clinics.

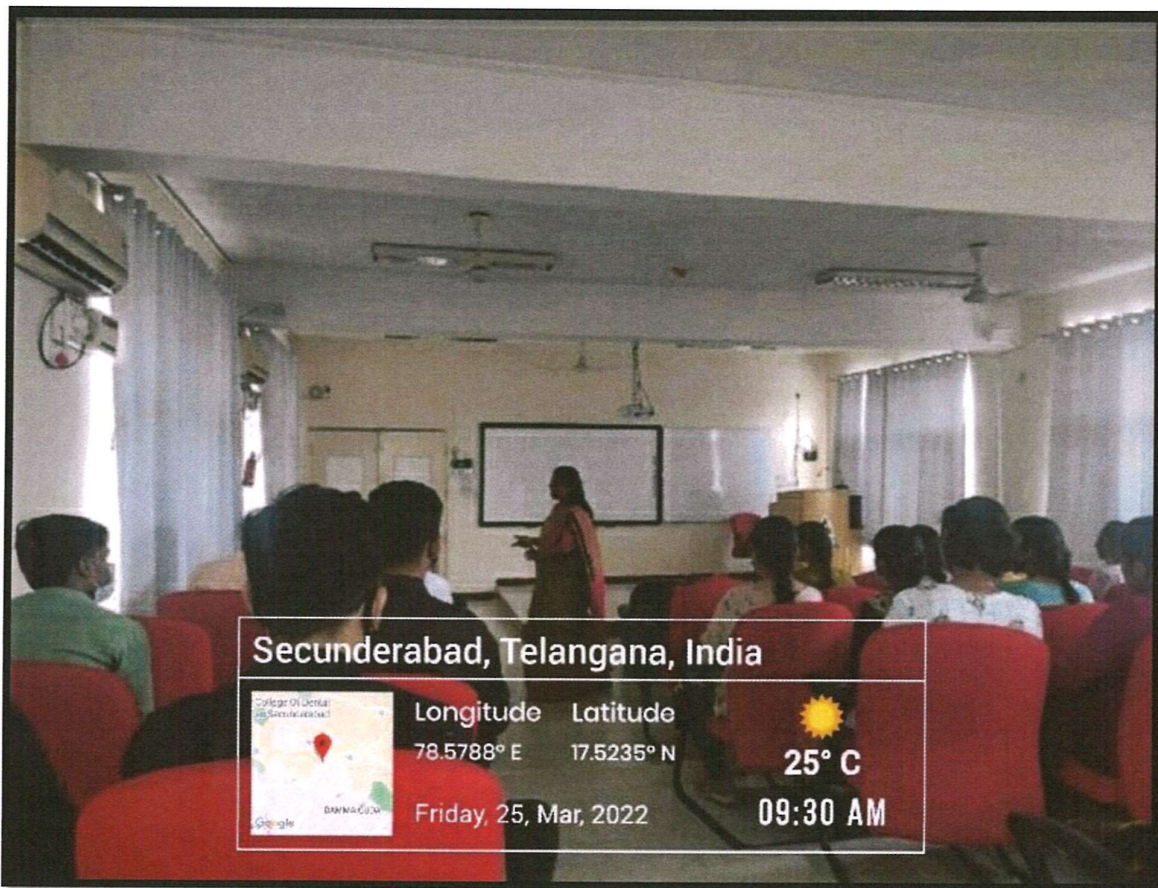

On day 4, Dr. Bhanu Chander and police personnel, DCI member talked about anti-ragging policies, psychological counseling, and professional ethics and jurisprudence. Following this, Dr Sukhvindar Bindra shed some light on the POSH (prevention of sexual harassment) committee of the college and gave a motivational lecture on character building and value systems inculcating professionalism

On day 5, the students went to Koti to explore the city of Hyderabad and purchase various textbooks and materials required for bds 1<sup>st</sup> year, headed by Dr. Manisha (PHD).

Day 6, included activities like creative arts, face painting, carving, photography, cultural activities, sports, etc, conducted by Dr. Vaishnavi and Dr. Saigeeta.

Day 7, included literal activities, reading books, apart from curriculum books, and essay and poetry competitions, conducted by Dr. Vaishnavi and Dr. Saigeeta.

The orientation program came to an end with the white coat ceremony and the hypocritic oath on Day 8.
