The Principal

Army College of Dental Sciences (ACDS), Secunderabad

Dear Sir,

This is **Philomin Raj**, president of **Rotary Club of Sainikpuri (RCS)**.

Once again my deepest gratitude to you for supporting us in the recent blood donation camp on September 9th 2021 with 66 donors from ACDS students and staff.

As part of our signature project, Thalassemia Care and Support, we would like to conduct an awareness seminar on Thalassemia by the Chief Doctor and Secretary of **Aarohi Blood Bank (ABB)**, Dr. Aditi Kishore. Since Thalassemia is caused only when both the parents are Thalassemia-Minor, its spread can be contained by avoiding marriages between two Thalassemia-Minor persons. There is an easy way to get if one is a Thalassemia-Minor by taking a simple blood test called HPCL. Youngsters must be guided in this direction, so that they can take this test and avoid possible marital arrangement between 2 Thalassemia-Minors and potentially giving birth to a Thalassaemic offspring. In our awareness seminar, the doctor would bring awareness of this important point and guide youngsters to make this world Thalassemia-free. Accordingly, we would request you to permit us to organize such an awareness seminar in your campus, targeted to students, on a convenient day for you.

We request you to kindly grant permission for this and to take part in making this world better.

Thanking you very much sir,

Sincerely,

RTN. PHILOMIN RAJ

President of Rotary club of Sainikpuri

Respected Sir,

Swayamkrushi is an NGO that looks after intellectually disabled persons. The Army dental college, secunderabad conducted a dental camp in our premises on 15 Feb 22. All the intellectually challenged people along with the staff of swayamkrushi were screened during the camp. We are very thankful and appreciate the professional way the camp was conducted. Thank you and hope to continue our association.

Thanks and Regards,

Sub: Letter of Appreciation

Dear Sir / Madam

We, Sri Sathya Sai Seva Organization, Telangana, are organizing free dental camps at remote villages / hamlets, across Telangana, initially for children aged between 8 and 16 years.

On behalf of Sri Sathya Sai Organizations, we wish to express our sincere gratitude and appreciation for supporting us in conducting Oral Health Screening and Treatment camp using Sri Sathya Sai Mobile Dental State-of-the-Art facility at Social Welfare Boys Hostel, Dudi Venkatapuram Village, Rajapet Mandal, Yadadri Bhuvangiri Dt. on 27th February 2022.

The Doctors, technical staff and the supporting team, who participated in this noble service were very loving and patient with children, were extremely skillful and they displayed excellent team work.

We greatly appreciate your gesture and we look forward to your support and collaboration in service to come.

Sairam
Thanking You
