Onam is a festival celebrated by Malayalis in Kerala or in any other part of the world to mark the homecoming of the Great King Mahabali. It is also said to mark the harvest season for Kerala. The festival lasts for ten days and is celebrated with great splendor.

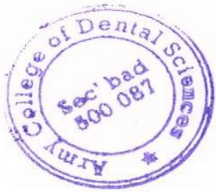

The campus of Army college of Dental sciences (ACDS), celebrated the Onam festival on 22 August 2021, wore a festive look as students celebrated the festival of Onam at its campus. The lobby was decorated with pookalam (a traditional flower arrangement) and classical music played in the background, while students came dressed in their best traditional wear. The highlight, however, was the food – with an elaborate Onam Sadhya served on a banana leaf. From crispy upperi which are the much-loved banana chips to the avail which is a mixed vegetable preparation cooked in coconut milk to the delicious payasam to end the meal, it was a feast like no other.

Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. According to the Hindu calendar, this festival is celebrated on the Ashtami of Krishna Paksh or the 8th day of the dark fortnight in the month of Bhadon.

To seek the blessings of Lord Krishna, Janmashtami was celebrated at Army college of dental sciences on 31 August 2021. The fragrance of flowers, the soothing aroma of camphor and the jingle of bells filled the air. The main attraction of the event was breaking of the treasure filled Matki.

The Principal of the college blessed all the students on this auspicious day and gave them the message as always, looking ahead instead of reminiscing in the past. His words truly summed up the efficacy of celebrating festivals of devotion and obedience toward the students

Vinayaka Chaturthi, also referred to as Ganesh Chaturthi is dedicated to the Lord of New beginnings, Lord Ganesh, every year.

Like every year, this year also, Army college of dental sciences celebrated this festival on 10th September with utmost fervor. All the students, teaching staff, and non-teaching staff were cordially invited to be a part of this program. The student council took the responsibility to embellish the school with color papers, flowers, leaves, candles, lights, and lamps. The stage was ornamented beautifully to welcome Lord Ganesh. The event began on 10th September as the principal illuminated the lamps; students sang Ganesh Vandana while all the members offered their prayers to the Lord. A Havan was conducted followed by a grand Aarti and Puspanjali respectively.

Then the Prasad was distributed among members. A table was set up in the hall to serve a considerable variety of sweets, confectionaries, and dishes to the attendees of the ceremony. The program was concluded with the students' performance of various cultural programs to refresh and entertain everybody.

Christmas Celebration at Army College of Dental Sciences on 23 December 2021. Christmas is celebrated worldwide as the birthday of Jesus Christ and deliverance of humanity from evil. The spread of love and peace among humankind is the supreme message of Christmas.

We organized a Christmas celebration in our college. All year students and teaching, non teaching staff were cordially invited. Students participated with great joy and enthusiasm. Before beginning the celebrations, the students decorated a beautiful Christmas tree with different ornaments, tinsel, snow, and twinkling lights, hung up balloons, and decorated the reception to spread the Christmas spirit in everyone who entered the campus. A beautiful and peppy carol singing by the Students on the Christmas celebration. The carol accompanied them with renditions of "Mary's boy child", "Santa Claus is coming", and "We wish you a merry Christmas", " Jingle Bell". A Small Prayer was held . Principal Sir Dr S Subramanya Sharma gave a speech. The students were further thrilled when Santa Claus actually came to town and interacted with all of them and distributed sweets. The celebrations ended with a cake cutting followed by some refreshments in library. Even though the celebrations ended on the day, the hearts of all students and children were filled with joy, happiness, and the spirit of giving.

Pongal (Makara Sankranti)

Army College of Dental Sciences celebrated Pongal with great enthusiasm on 14 January 2022 by following proper COVID protocols. Pongal is one of the biggest harvest festivals in India. It marks the beginning of Uttarayan-sun's journey towards the north and the end of the winter season. Students decorated their hostel with beautiful kolam designs. Teaching, non-teaching staff, and students performed puja, then a special dish Pongal is offered to the gods and goddesses and then enjoyed by the staff and students.

Cons Endo Day

Cons-Endo Day was organized on 8 March 2022 by the Department of Conservative Dentistry & Endodontics at Army College of Dental Sciences, Secunderabad under the guidance of organizing chairperson Dr. Mamta Kaushik, Professor & Head.

5th March is being celebrated since 2017 and marks the beginning of the Federation of Operative dentistry in 1982 (IACDE currently) and aims to raise awareness among the public regarding the specialty.

All the staff along with Post-graduate and Undergraduate students were invited to commemorate the day. The audience was welcomed with an introductory speech by the Head of the Department. As an ode to the day, two competitions – a Quiz competition and Soap carving were organized. The quiz included a wide spectrum of questions from the city's history & culture to Indian cinema to heighten the enthusiasm of participants. The students gave an overwhelming response and participated with high fervor and zeal.

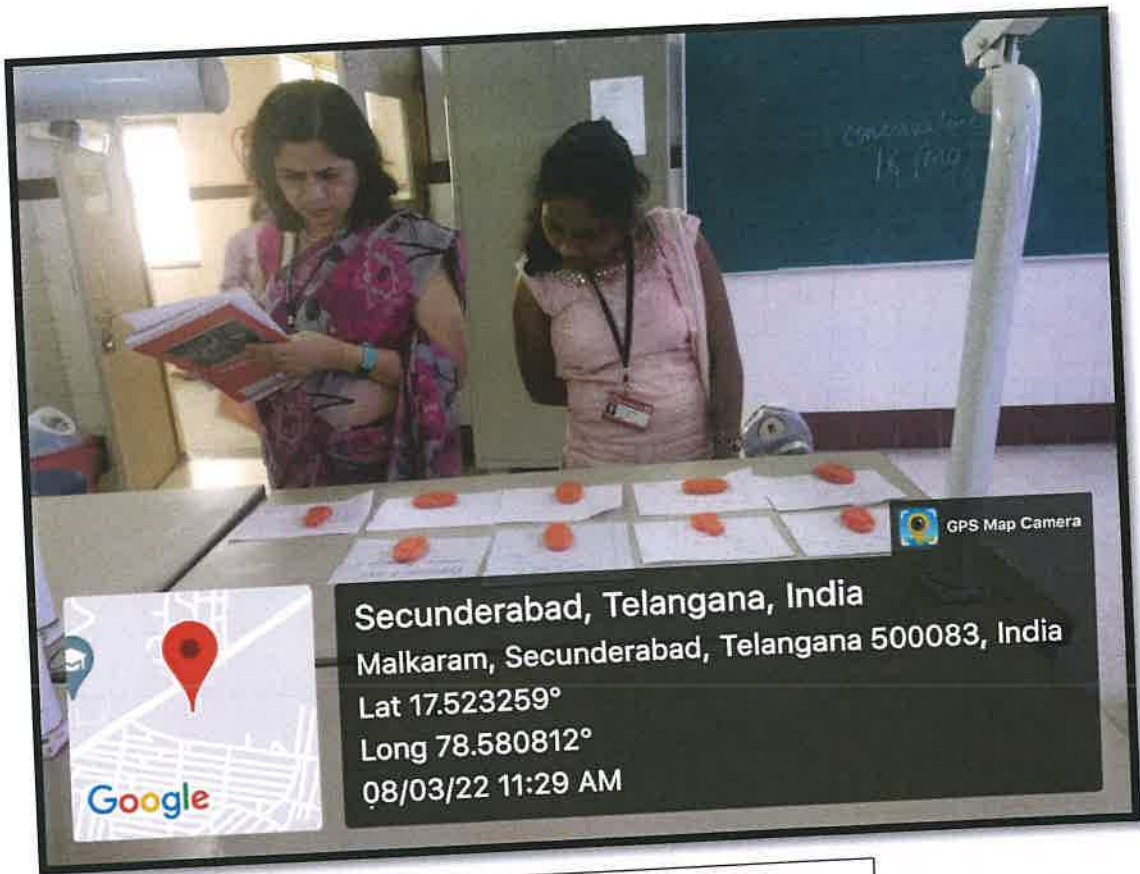

To celebrate the journey of all the women in our lives, Women's Day was the topic of the soap carving competition. The UG students participated and showcased pronounced creativity for soap carving. The winners were felicitated by the Head of Department, Dr. Mamta Kaushik. The day was concluded with a cake cutting ceremony.

Holi Celebrations

Holi is celebrated on 18th March 2022 with much pomp. It is also known as the festival of colors. Students enjoyed it as they splashed water on each other and rushed around with water pistols spraying water. They painted each other's faces with color and submerged themselves in water. Students and staff relish sweet delicacies specially prepared for this festival.

World Oral Health Day

The Department of Pediatric and Preventive dentistry celebrated World Oral Health Day from 20th to 27th of March 2020. Being guided by the objective “To raise Public Awareness about dental and oral health in children and teenagers”. Pamphlets depicting basic oral health instructions, dental visits, and the types of dental problems in children were prepared and distributed among patients, different shopkeepers, vendors, and the general public for children’s oral health awareness. A Banner was displayed at the entrance of the department and the college to spread awareness among the visitors. A newspaper article was published on ‘Awareness of Oral Health of Children and Teenagers’. The article was published in AADAB HYDERABAD in the local language in order to reach more people. The Department of Pediatric and Preventive Dentistry on the occasion of World Oral Health Week conducted various dental camps from 20th march to 27th March 2022. The free dental check-up was done for all the children. Detailed counseling was given for maintaining good oral hygiene. Children were given fluoride toothpaste and name tags. Lastly, snacks and juices were provided to all children.

World No Tobacco Day

Army College of Dental Sciences has observed "World No Tobacco Day" on 31st May 2022 as per the Dental Council of India Circular dated 26th May 2022. Every year the world health organization and Dental council of India observe WNTD. The annual campaign is an opportunity to raise awareness of the harmful and deadly effects of tobacco smoke use, and passive smokers' exposure, and also to discourage the use of tobacco in any form. This year the theme of WNTD -2022 is "Tobacco Threat to Our Environment" DCI has suggested all the Dental Colleges Plan No Tobacco Promotion Activities on 31st May 2022. Our Institution Organized an Indian Dental Association (IDA) Virtual Tobacco control and Cessation Training program from 10 am onwards in the Shusrutha auditorium, wherein 109 Undergraduate and Postgraduate students and faculty attended the training. Competition on the Documentary film -theme "Tobacco Usage and its ill- effects" and T-Shirt painting on the theme "Say no to Tobacco" was also organized. Three teams participated in Documentary film Competition and Ten students in T-Shirt Competition. Certificates were issued to all the participants.

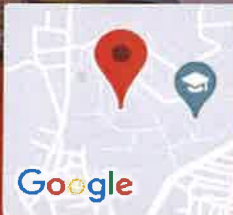

The Pledge-taking ceremony was organized for the students and staff. The Pledge for Staff and students was facilitated by Dr. Mrunalini Koneru-Lecturer/Dept of Public Health Dentistry. The following are the video clips/links of the program. The Program was Concluded with slogans like "Be Smart-Don't Start" "Save Lungs- Save Lives" and "Kill Tobacco, not Yourself"
