## PROGRAMME REPORT

A Clinical society meeting was organized by the Scientific Academic Forum & Department of Oral Pathology & Microbiology of ACDS for Faculty and post graduate students on 17<sup>th</sup> June 2022 at Lecture Hall 4, ACDS.

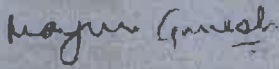

The program was scheduled from 2.00pm -3.00pm and the lecture was delivered by Dr Harshvardhan S Jois, Prof & Head, Dept of Oral Pathology and Dr VVN Sunil, Sr Lecturer, Dept of Oral Pathology, ACDS.

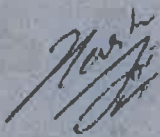

Topics discussed:

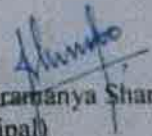

- Odontogenic Keratocyst
- Desmoplastic ameloblastoma

It was an ice breaking interactive session where the speakers discussed on importance of correlating clinical history with histopathological diagnosis as well as in-depth discussion about the specific lesions mentioned above.

It was a well-received lecture by all the participants and was very interactive where audience raised their doubts and got clarified.

## PROGRAMME REPORT

### NATIONAL DOCTOR'S DAY CELEBRATION ON 1<sup>ST</sup> JULY 2022

#### ARMY COLLEGE OF DENTAL SCIENCES

The Army College of Dental Sciences celebrated National doctor's day with a lot of fervor on 1st July 2022.

The day started with the felicitation ceremony to thank the doctors for their contribution to society followed by the small cake cutting ceremony. Col BP Panda Commanding Officer, MDC Secunderabad and Dr. Pinaki Sen, Chief Consulting Maxillofacial Surgeon at Sheikh Zayed Military Hospital Abu Dhabi were the guests of honour.

To mark the importance of the day team ACDS also gave a health talk on healthy living and Covid preventive measures at Government primary school yapral to about 250 students. Oral health screening and treatment camp was also organized at Swayamkrushi, a home for special and differently abled at Balaji Nagar, Secunderabad . 70 people were screened and 10 were treated.

Our students also brought their creative best to the fore with various posters depicting a Doctor's contribution to the society. The students and faculty also planted saplings as a noble gesture marking the importance of Doctor's day.

### ADVANCED SURGICAL SKILL SIMULATION COURSE FOR ORAL IMPLANTOLOGY & BOTOX

1. Department of Oral and Maxillofacial Surgery is conducting "Advanced Surgical Skill Simulation Course for Oral Implantology & Botox" on 1<sup>st</sup> (Friday) & 2<sup>nd</sup> (Saturday) July 2022.

2. Program Schedule :-

DAY 1 ( 1 <sup>st</sup> JULY 2022)			
Time	Session	Topic	Participants
8.30am- 9.00am		Registration	Post Graduates and Faculty of ACDS
9.00am - 9.30 am		Inauguration	
9.30am -11.30am	Session 1 (Dr. Pinaki Sen)	Interpretation of CBCT	
11.30am-11.45am		Tea break	
11.45am-1.30pm	Session 1 (Dr. Pinaki Sen)	Application of software in treatment planning for Oral Implantology	
1.30pm-2.00pm		Lunch break	
2.00pm-4.30 pm	Session 2 (Dr. Pinaki Sen)	Design and delivery of surgical splints for oral implant and live demonstration of intraoral scanners and 3D printer	

DAY 2 ( 2 <sup>nd</sup> JULY 2022)			
Time	Session	Topic	Participants
8.30am-10.30am	Session 3 (Dr. Pinaki Sen)	Demonstration of ideal surgical site preparation.	Postgraduates and Faculty of ACDS
10.30am-11.00 am	Tea break		
11.00am-1.00pm	Session 3 (Dr. Pinaki Sen)	Demonstration of surgical site augmentation and high end technology.	
1.00pm-2.00pm	Lunch break		
2.00pm-4.00pm	Session 4 (Dr. Pinaki Sen)	Clinical demonstration and hands on of Botox injection for Facial Rejuvenation	
4.00pm-4.30pm	Felicitation Program		

3. Registration fee: Rs. 500/-

## **RESOURCE PERSON**

**1. Dr. Pinaki Sen MD, BDS, FDSRCS, MBChB, MRCS, FRCS(OMFS)**

Consultant Maxillofacial Surgeon, Sheik Zayed Military Hospital Abu Dhabi,

About DR. Sen

Dr. Pinaki Sen did his BDS from Madras Dental College. He got his MBChB degree from university of Liverpool, England and his MRCS, FDSRCS, FRCS(OMFS) from Royal college of physicians and surgeons of Glasgow

Dr Pinaki Sen worked as a consultant at Norfolk and Norwich University Hospital, UK and moved to UAE in July 2018 where he works as a chief consultant of Head and Neck Surgery at Sheikh Zayed Military Hospital, Abu Dhabi, UAE

His special interest is in maxillofacial trauma deformity, dento-alveolar fractures, temporomandibular disorders, dental implants and salivary gland disorders

- Nasal floor lift and grafting should not be more than 3-4mm
- Maxillary Sinus lift – 10-12mm is preferred.

The second session was live demonstration of surgical site augmentation and high end technology on medium density fibre board(mandible) by Dr Pinaki Sen where he showed the incision, flap reflection, defect preparation at the alveolar ridge, bone graft harvesting from the donor site, usage of particulate bone graft, release of periosteum, membrane adaptation and flap closure. Each of the six groups received a model and was asked to perform the same and was actively supervised.

The next session was the demonstration of sinus lift procedure on goat model (goat head) and harvesting the bone graft using piezotome by Dr Pinaki Sen. This session provided a real time direct visualization of creation of lateral window, detaching sinus mucosa during mucosa elevation and adaptation of graft on the elevated sinus lining.

The participants were directed to perform the same on the goat model and were closely supervised. The lateral wall of the goat sinus which is relatively thin and was easily trephined simulated and resembled the surgical environment in the human edentulous posterior maxilla.

## **DAY 2**

**DATE- 2<sup>nd</sup> July 2022**

Time: 08:30am to 2:30pm

The workshop started by an interactive session where the participants were provided an opportunity to clear their queries and doubts about the previous day session.

The first session was the demonstration of window preparation for sinus lift on egg by Dr Pinaki Sen using Piezotome and the participants were directed to perform the same on their egg model.

Next session was live demonstration of placement of zygomatic and pterygoid implants on dry skull by Dr Pinaki Sen and the participants were asked to perform the same on stereolithographic model of midface

- Creation of a lateral window in the sinus wall was used as a guide to assess the direction and position of the zygomatic implants.
- The length of implants ( 30 to 52.5mm) was used to rehabilitate posterior sector

The last session was an interesting session on demonstration working of intraoral scanner and **3D printer**.

The workshop was ended by felicitating the distinguished speaker Dr Pinaki Sen.

PROGRAMME SUMMARY

Date	1 <sup>st</sup> and 2 <sup>nd</sup> July 2022
Program Title	'Advanced Surgical Skill Simulation Course For Oral Implantology'
SAF Program no	ACDS- 13/22
Dept./committee	Department of Oral and Maxillofacial Surgery, Department of Periodontics and Department of Prosthodontics along with the Scientific Academic Forum
Program Type	Lecture and Hands-on Surgical Skill Simulation Course
Venue	Pre-Clinical Lab, Department of Conservative Dentistry and Endodontics, ACDS
Resource person & Topic	<b>COURSE DIRECTOR</b> Dr. Pinali Sen  MD , BDS , FDSRCS , MBCNB , MRCS FRCS(OMFS) , Chief Consultant Oral And Maxillofacial Surgery at Sheikh Zayed Military Hospital, Abu Dhabi , UAE  <b>TOPIC</b>  'Advanced Surgical Skill Simulation Course For Oral Implantology'
Coordinator Name	Dr. Madhusudan Rao, Dr Sukhwinder Birkra, Dr Ajay Reddy, Dr Abhinav, Dr Bharuchanfar

Permission details	Principal Office, ACDS
CDE points	12 Given
No of Registrants/Participants	50
Sponsors	SARK HEALTHCARE Company Sponsored the Dummy practice material for the programme and a team from Blu Oceana, Chennai also demonstrated the 3 D Printing software.
Feedback summary	<p>The Programme was received well by participating faculty and Post graduate students.</p> <ul style="list-style-type: none"> <li>• 77.8 % rated the overall content of the program as excellent &amp; 22.2 % as good.</li> <li>• Learning Objectives were "clear" for 94% respondents and the course content was well organized according to 96.6% respondents.</li> <li>• Majority of the participants believed that the applicability of the programme was excellent in terms of first hand exposure to implantology. While most students agreed that the programme was well organized, the most common recommendations included the need for practice with more models and instrument sets and actual planning on patients.</li> </ul>
Program summary, analysis & recommendation.	<p>A two day Lecture and Hands-on Programme on "Advanced Surgical Skill Simulation Course For Oral Implantology" was organized by Department of Oral and Maxillofacial Surgery, Department of Periodontics and Department of Prosthodontics along with the Scientific Academic Forum on 1<sup>st</sup> and 2<sup>nd</sup> July 2022.</p> <p>The Venue for the Programme was Pre-Clinical phantom head Lab, Department of Conservative Dentistry and Endodontics, ACDS.</p> <p>The Programme received an enthusiastic and overwhelming response</p>

from 50 participants including faculty and postgraduates on both the days.

### Day 1

**DATE- 1<sup>st</sup> July 2022**

The Programme started with an introduction to Course Director Dr. Pinaki Sen by the Principal, Dr. S.Subramanya Sharma in the presence of the guests of honour Colonel B P Panda (VSM, Commanding Officer) MDC Secunderabad.

An introductory lecture titled "Steps in Horizontal and Vertical ridge augmentation" by Course Director Dr Pinaki Sen set the tone for the course.

This was followed by live demonstration on Surgical site augmentation on medium density fibre board (mandible) by Dr Pinaki Sen. The participants were divided into 6 groups with a model for each group. The steps including incision, flap reflection, defect preparation at the alveolar ridge, bone graft harvesting from the donor site, usage of particulate bone graft, release of periosteum, membrane adaptation and flap closure were done under constant supervision of the Course director.

The third session was the demonstration of sinus lift procedure on goat model (goat head) and harvesting the bone graft using piezotome by Dr Pinaki Sen. The participants were directed to perform the same on the goat model and were closely supervised.

### DAY 2

**DATE- 2<sup>nd</sup> July 2022**

Time: 08.30am to 2.30pm

The workshop started with an interactive session where the participants were provided with an opportunity to clear their queries and doubts about the previous day's session. This was followed by the first session demonstrating window preparation for sinus lift on egg by Dr Pinaki Sen using Piezotome and the participants were directed to perform the same on their model.

Sponsors

The second session of the day included live demonstration of placement of zygomatic and pterygoid implants on dry skull by Dr. Pinaki Sen and the participants were asked to perform the same on stereolithographic model of mid-face.

The Third session was an interesting session on demonstration working of intraoral scanner and 3D printer.

#### **Analysis**

- 97.3 % rated the overall content of the programme as excellent & 2.7 % as good.
- 91.9 % agreed with "definitely yes" for the criteria resource material were current and relevant to discussion and 8.1 % with "yes".
- 97.3% agreed with yes for the criteria "Do you think the programme will be helpful in the future course of your career and 2.7% responded with maybe.
- 58.3% rated appropriate use of Audio Visual aids as "excellent", 38.3% as "good" and 3.4% as "fair".
- Learning Objectives were "clear" for 48 respondents and "neutral" for 2.
- Course content was well organized according to 46 respondents and it was neutral for remaining 4.
- 59.2% believed the applicability of the programme was "excellent", 37.5% good while 3.3% rated it average.
- 75.8% believed future sessions on the subject were necessary, 7.5% responded with a no and 16.7% with maybe.
- 66.7% believed the applicability of the programme was "excellent", 41.9% good while 4.8% rated it average.
- 94.6% respondents wanted future sessions on the topic and 6.4 % responded with maybe.

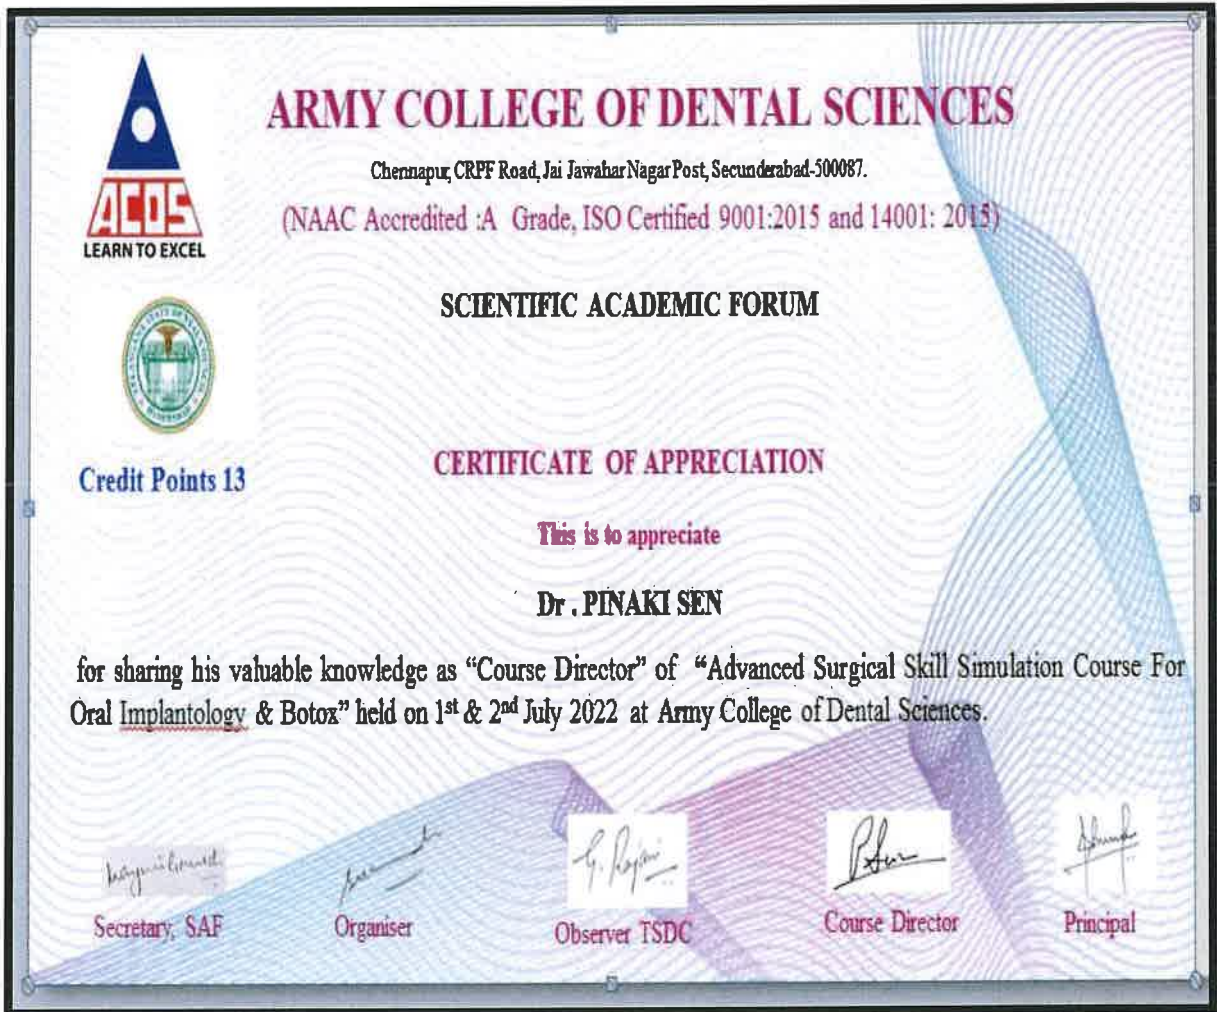

#### **Future - Recommendations :**

- a) Frequent sessions and information regarding technological advancement in implant dentistry
- b) More hands on courses to be organized.

Speaker : Mr. Vingamor Ramesh

Date : 14<sup>th</sup> July 2022

Venue : Sushrutha auditorium

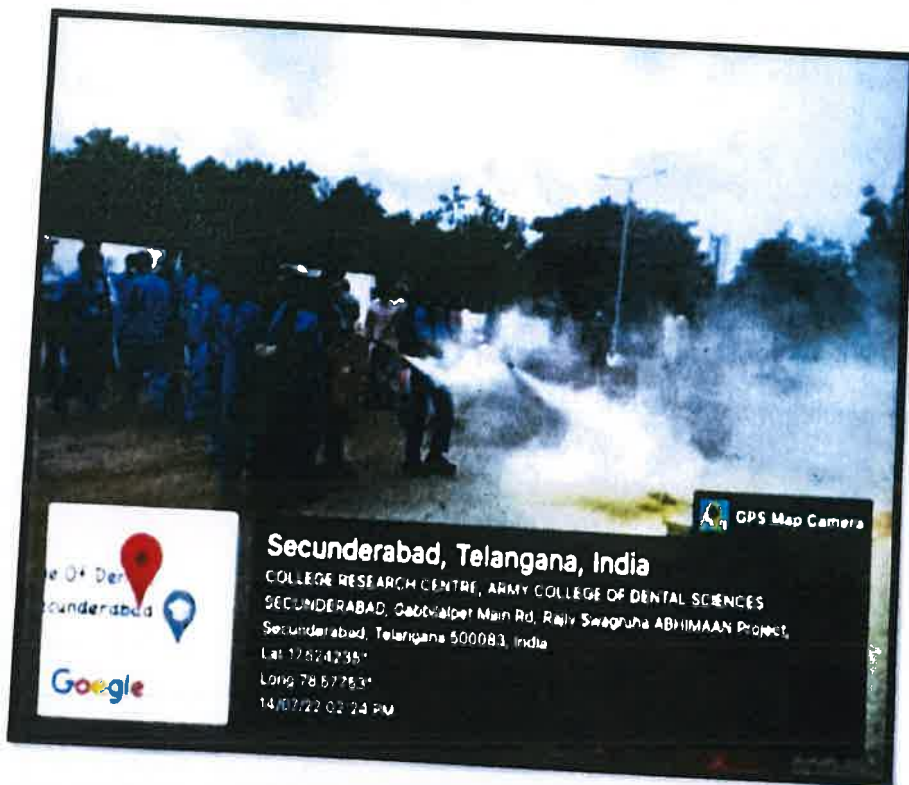

### Report of the program

One day training program on Fire safety Management was conducted on 14<sup>th</sup> July 2022, Friday at Sushrutha Auditorium, Army College of Dental Sciences. The program was initiated by Dr. Subramanya Sharma, Principal, coordinated by Dr. E. Soujanya, Reader, Department of Conservative Dentistry and Endodontics in association with Scientific Academic Forum. All undergraduate, postgraduate students, teaching and non-teaching staff attended the program. Mr. Vingamor Ramesh, who has been associated with VR Fire safety services, a Hyderabad based organization delivered lecture and training on Fire safety management. He explained about various protocols to follow and timely reaction in case of fire accidents in workplace environment especially in hospital setup. Students and staff actively involved in the program. overall feedback for the program was excellent.

### How do you rate the content of the lecture

44 responses

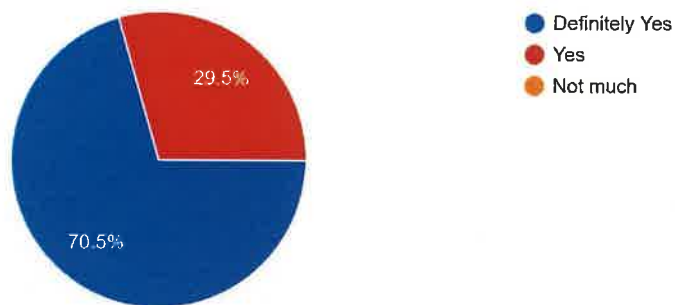

Do you think it will help you in your course of study and career

44 responses

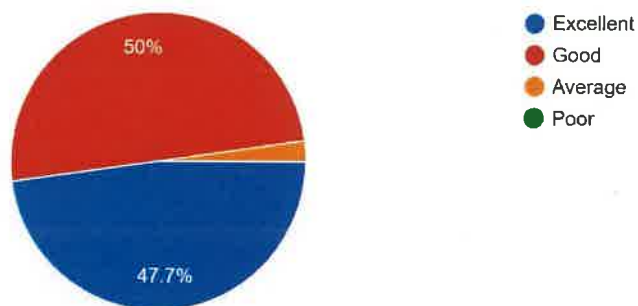

Resources materials were current and relevant to discussion

44 responses

How do you rate the appropriate use of Audio Visual aids

44 responses

What were the key takeaways from this lecture

32 responses

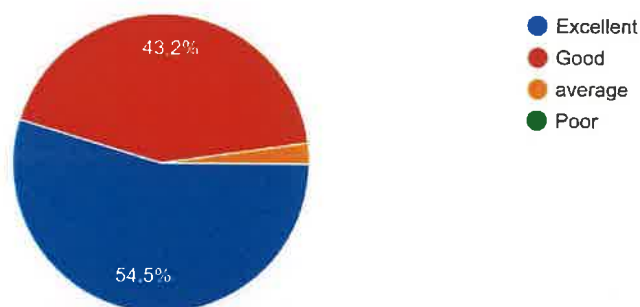

- CBCT diagnosis
- Great diagnosis

- 2D vs 3D
- Importance of 3d imaging
- That whatever it looks in 2D sometimes we need to take 3D as well
- Better understanding with 3D
- Special case study
- Importance of 3D imaging
- Advantage of 3d imaging over 2d
- Importance of 2D 3D
- Help to understand difference between 2D and 3D imagination
- Good presentation. East to understand
- 3D visualization gives a better view regarding the diagnosis of a disease
- Better understanding with CBCT
- Diagnosis
- 2 d images can be deceptive
- Various cases including Dentigerous cysts, Lefort 1 and 2 fracture in a patient, OKC
- We got to know how 3D images are better than 2D images.
- Advantage of 3D imaging over 2D
- Importance of radiographical diagnosis and CBCT.
- Radiographic interpretation
- Wonderful presentation
- 3D imaging is far more accurate versus 2D imaging
- Good
- Clarity in diagnosing with 3D imaging
- How 3 D is more effective in diagnosis than 2 D imaging .
- Why 3D imaging is a better investigation
- Sound knowledge of 2 D imaging is more than sufficient to diagnose maximum number of cases. 3 D should only be resorted to for complicated ones.

NAAC Accredited 'A' & Certified ISO 9001:2015 & 14001:2015

Program Summary	The post graduates and interns under the guidance of the faculty of dept of Periodontology, organized a free screening and oral health check-up. A disclosing agent and a plaque detector scan tool was used and patients were instructed on proper brushing techniques.
Program summary, analysis & recommendation	<p>The registration of patients was done in reception area, Mallikarjun Block, ACDS and check-up was done in Oral Medicine and Radiology Department, ACDS from 9 am to 12 pm. Eighteen participants (intern, post graduate and staff) carried out the screening of patients. Hundred patients were screened using GSK sponsored plaque detecting device.</p> <p>ANALYSIS: It was well received by the Post graduates and Interns. There was an interactive session where in all the questions from patients were answered related to oral hygiene. Participants felt encouraged to motivate and educate patients regarding brushing techniques.</p> <p>FUTURE - RECOMMENDATIONS :</p> <p>a) In future, students would like to have programs with lectures along with Hands On on clinical procedures in periodontology.</p>

## REPORT/ SUMMARY OF THE PROGRAMME

### ARMY COLLEGE OF DENTAL SCIENCES SECUNDERABAD

#### Programme Summary

A Clinical meet was hosted by MDC Secunderabad on 30<sup>th</sup> Sept 2022 at 4:30 pm. A total of 29 individuals including Interns, Postgraduates and Faculty from ACDS attended the meet.

The clinical meet comprised of the following lectures -

SNo	Topic	Speaker
1.	MDP- The most versatile player in Adhesive Dentistry	Maj Saurabh Sharma
2.	Osteonecrosis of the Jaws- Prevention and Diagnosis	Maj Gaurav Gupta

The first presentation was given by Maj Saurabh Sharma on emergence and the versatile nature MDP (methacryloyloxydecyl dihydrogen phosphate) in Adhesive dentistry. The lecture covered the information regarding various generation of dental adhesives available in the market with prime focus on MDP as a universal bonding agent found in most of the adhesive primers. He emphasized the fact that it forms a reliable and strong bond with tooth structure, metal alloys and Zirconia which makes it a game changer in adhesive dentistry.

The second presentation was given by Maj Gaurav Gupta on Osteonecrosis of the Jaws- Prevention and Diagnosis. The lecture covered evolution of terminologies from BRONJ, ARONJ and MRONJ. Preventive strategies and Modes of diagnosis were discussed at length by the speaker. He focused primarily on medicine induced osteonecrosis along with its prevention and management.

Both lectures were followed by an interactive Q&A session with enthusiastic participation of ACDS students and staff alike.

## RESOURCE PERSON DETAILS

### PROFILE OF THE SPEAKER:

Dr Prasad Chitra is a doctoral research scholar (PhD) in orthodontics at Ramaiah University of Applied Sciences, Bengaluru, India. He has membership in orthodontics (MOrthRCS) from the Royal College of Surgeons, Edinburgh and in dental Orthopedics (MDORCPS) from the Royal College of Physicians and Surgeons of Glasgow. He also has Master of Dental Surgery from Rajiv Gandhi University of Health Sciences, Bengaluru. Dr Chitra has over 22 years of teaching experience and is presently working as Professor and Head, Orthodontics & Dentofacial Orthopedics, Army College of Dental Sciences, Secunderabad, India, a NAAC Grade 'A' institution.

### BROCHURE

The brochure is a blue and white graphic design. At the top left, it features the logos of AACC and IOS. The main title is 'INTRAORAL SCANNING IN ORTHODONTICS - LECTURE & HANDS ON PROGRAM'. Below this, it lists the venue as 'Dept of Orthodontics, ACDS Secunderabad', the date as '21st October 2022', and the time as '8:00am - 4:00pm'. A central section titled 'PROFILE OF THE SPEAKER' includes a portrait of Dr. Prasad Chitra and a detailed biography. To the right of the speaker's profile is a 'REGISTRATION LINK' with a QR code and the URL 'https://forms.gle/3vgBriuW2nqhHRKY8'. The brochure also includes a 'Medi7500' logo and a grid of yellow stars.

### PROGRAM SUMMARY

Date	21 <sup>st</sup> October 2022
Program Title	<i><u>Intraoral Scanning In Orthodontics – Lecture &amp; Hands On Program</u></i>
Dept/committee	Orthodontics and Dentofacial Orthopedics
Program Type	Lecture & Hands-on course
Venue	Lecture hall 4, ACDS PG & UG Preclinical Operative lab, ACDS
Resource person & Topic	Dr. Prasad Chitra MDS, MOrth RCS, MDORCPS
Co-Ordinator name	Dr. Prasad Chitra Dr. G Pradeep Raj
Permission details	Principal Office, ACDS
CDE points	3
No of Registrants/Participants	70 (expected)
Expenses	Rs. 20,000/-
Balance	-
Feedback summary	The training program met the expectations of delegates in terms of organization of the lecture and hands on, meeting of training objectives, time allotted, material and content along with delivery of presentation by the speaker. Delegates, however, reported that visibility of the screen from the end of the room was poor.
Program summary, analysis & recommendation	<p>Program Summary: The program was a combination of lecture, live bonding and hands-on on the topic of intraoral scanning especially on how to properly use intraoral scanners to take accurate impressions, quickly and efficiently.</p> <p>Program analysis: The programme was a success, with more orthodontists from Telangana and Andhra Pradesh participating than projected. The programme drew orthodontists from both academia and practice, with the bulk of residents coming from orthodontic programmes. 93.8% of delegates would recommend the program to colleagues and</p>

	inculcate the same in their clinical practice. Future Recommendations: 1. Use of intra oral scanner with 3D modelling and printing
Program Co-Ordinator signature	Dr Prasad Chitra
Authorized signatory for SAF	Mayuri Ganesh

## SUMMARY

Lecture on Gender Sex and pain was conducted by Department of Conservative Dentistry and Endodontics on 3<sup>rd</sup> Nov 2022. The lecture was taken by Dr. Mamta Kaushik (Prof. and Hod). Faculty, Pg's , Interns and final year students attended the program ( Total -64). It was well received by the students. Overall feedback of the lecture was as follows:

S.no	Topic	Responses	Overall feed back in %			
			Excellent	Good	Avg	Poor
1	Gender, Sex and Pain	64	67.2%	25%	6.3%	1.6%

The lecture associated pain with gender and sex. It had a lot of articles cited for the same which concluded that the women experienced more pain than men due to differences in hormones present.

The lecture was followed by question and answers by the students and Dr. Mamta Kaushik.

## SCIENTIFIC ACADEMIC FORUM SUMMARY

 <p style="text-align: center;"><b>ARMY COLLEGE OF DENTAL SCIENCES</b> CHENNAPUR –CRPF ROAD, JAI JAWAHARNAGAR POST, SECUNDERABAD – 500087 NAAC "A" Grade, ISO 9001:2015, 14001:2015 SCIENTIFIC ACADEMIC FORUM PROGRAM SUMMARY</p>	
Date	3 <sup>rd</sup> Nov 2022
Program Title	Gender, Sex and pain
SAF Program no	ACDS-
Dept/committee	Conservative Dentistry and Endodontics
Program Type	Lecture
Venue	Lecture Hall no - 4, ACDS
Resource person & Topic	Dr. Mamta Kaushik ( HOD & Prof.) presented lecture on Gender Sex and Pain
Co-Ordinator Name	Dr. Ajita Rathil
Permission details	Principal Office, ACDS
CDE points	-
No of Registrants/Participants	64 Participants
Feedback summary	Positive feedback received from all the participants. The programme was rated excellent by 67.2% of the participants and good by 25%. Students were keen to know about the association of pain with gender and sex. Overall conclusion of the lecture was that pain is experienced more in women as compared to men. The lecture was engaging with interactions.
Program summary, analysis & recommendation	Lecture was conducted on gender, sex and pain on 3 <sup>rd</sup> Nov 2022 by Department of Conservative Dentistry and Endodontics for interns, post graduates and faculty. The program was scheduled from 0900 hrs at Lecture Hall no-4. The talk was given by Dr. Mamta Kaushik ( Prof and HOD). Faculty, PG's and interns from different departments attended the program. Program had insights on association of pain with gender and sex and how different hormones influence the perception of pain by different genders.

**RESEARCH METHODOLOGY AND BIostatISTICS**

1. Army college of dental sciences is conducting "Research Methodology and biostatistics" on 5<sup>th</sup> (Thursday), 6<sup>th</sup> (Friday) & 7<sup>th</sup> (Saturday) Jan 2023.
2. Program Schedule

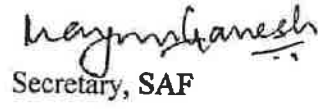

<b>DAY I</b>				
<b>(5<sup>th</sup> Jan 2023)</b>				
Time	Session	Topic	Participants	
8.30am- 9:00am	<b>Registration</b>		Postgraduates and Faculty of ACDS	
9:00am - 9.30 am	<b>Inauguration</b>			
9.30am -11.00am	Session 1 (Dr.Nirmal Kurian )	How to publish in high Impact Journal <i>Experiences &amp; Recommendations</i>		
11.00am-11.15am	<b>Tea break</b>			
11.15am-11:45pm	Session 1 (Dr.Nirmal Kurian )	Research Profile		
11.45am-1.30pm	Session 1 (Dr.Nirmal Kurian )	Basic of dental photography		
1:30pm-2:00pm	<b>Lunch break</b>			
2:00pm-4.30 pm	Session 2 (Dr.Nirmal Kurian )	Complete denture revisited <i>Practical tips for predictable results</i>		
<b>Felicitation program</b>				
				Undergraduate Postgraduates and Faculty of ACDS

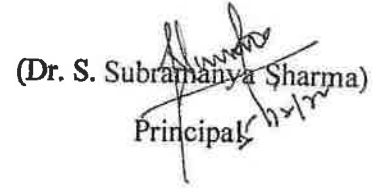

<b>DAY 2</b>			
<b>(6<sup>th</sup> Jan 2023)</b>			
Time	Session	Topic	Participants
8.30am-10.30am	Session 3 (Dr.Umesh wadgave)	Introduction to Research Methodology	Postgraduates and Faculty of ACDS
10.30am-11.00 am	<b>Tea break</b>		
11.00am-1.00pm	Session 4 (Dr.Umesh wadgave)	Study Design: Observational	
1.00pm-1.30pm	<b>Lunch break</b>		
1.30pm-3.00pm	Session 5 (Dr.Umesh wadgave)	Study Design: Experimental	
3.00pm-4.00pm	Session 6 (Dr.Umesh wadgave)	Sampling Methods	
<b>DAY 3</b>			
<b>(7<sup>th</sup> Jan 2023)</b>			
Time	Session	Topic	Participants
8.30am-9.30am	Session 7 (Dr.Umesh wadgave)	Basic Descriptive Biostatistics	Postgraduates and Faculty of ACDS
9.30-10.45am	Session 8 (Dr.Umesh wadgave)	Inferential Biostatistics	
10.45am-11.00 am	<b>Tea break</b>		
11.00am-12.30pm	Session 9 (Dr.Umesh wadgave)	Ethics in Research	
12.30-1.00pm	Session 10 (Dr.Umesh wadgave)	Literature search techniques	
1.00pm-2.00pm	<b>Lunch break</b>		
2.00pm-2.30pm	Session 11 (Dr.Umesh wadgave)	Basics of Microsoft Excel (Data entry and Analysis)	
2.30pm-3.00pm		Mendley Desktop Software (Reference Manager)	
4.00pm-4.30pm	<b>Felicitation program</b>		

3. Registration fee: ₹500/-

Madam,

**Sub: - Award of Credit points – reg.**  
**Ref: - Your application form dated 27/12/2022.**

In reference to your application for award of credit points towards the CDE Program "Research Methodology And Biostatistics" being conducted by the Army College of Dental Sciences, Hyderabad on the 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> of January 2023. I am pleased to inform that the Telangana State Dental Council (TSDC), in accordance with Continuing Dental Education regulations, 2018 has awarded:

- 18 (Eighteen) Credit points towards the CDE program.
- Double Credit points to each speaker taking part in the CDE.

In this regard I would like to inform you that the Telangana State Dental Council appointed Dr. S. Chetan Kumar, MDS – Professor & Head, Dept. of Orthodontics, MRIDS, Hyderabad as an observer for the program. The observer shall put his signature on every CDE program certificate for the validity and He shall be designated as "Observer, TSDC" on the certificate. (Contact Observer @ 9912879113)

SCIENTIFIC ACADEMIC FORUM

**3 DAY WORKSHOP ON RESEARCH METHODOLOGY AND BIOSTATISTICS**

**PROGRAM SUMMARY**

Date	5 <sup>th</sup> ,6 <sup>th</sup> ,7 <sup>th</sup> Jan 2023
Program Title	3 Day Workshop On Research Methodology and Biostatistics
SAF Program no	ACDS/SAF/2023/2
Department/committee	Scientific Academic Forum
Program Type	Lecture and Workshop
Venue	Lecture Hall 4 and Library, ACDS
Resource person & Topic	<p><b>DR. NIRMAL KURIAN: (5<sup>th</sup> jan)</b>          BDS, MDS (Prosthodontics) Diplomate – Indian Board of Prosthodontics Associate Professor, Vice Principal (Research &amp; Innovation) Christian Dental College, Ludhiana</p> <p><b>DR. UMESH WADGAVE (6<sup>th</sup> and 7<sup>th</sup> jan)</b>          BDS, MDS (Public Health Dentistry), PG Diploma - Bioethics          Freelance Research &amp; Biostatistics Consultant, Chief Dentist: Wadgave's Dental Home, Bidar, Karnataka</p>
Co-ordinator name	Dr. Mayuri Ganesh, I/C Secretary, SAF and Dr. Navaljeet Kaur, Senior Lecturer, OMFS, ACDS
Permission details	Principal Office, ACDS
No of Participants	40
Total expenditure	Rs. 57,164
Income generated	Rs 30,000
Net expenditure	Rs 27,164
Feedback summary	<p>Overall positive feedback</p> <p>App 80% rating was excellent, 20% was good.</p> <p>The key takeaway was</p>

	<p>1.To focus on high impact journals and to keep working on publishing .</p> <p>2.Importance of Dental photography,</p> <p>3.Use of databases like Pubmed and Mendeley</p> <p>4. Study design,Research formulation and biostatistics.</p> <p>In terms of room for improvement-,More interactions with quiz and questionnaire on the topic,More group based activities during workshop and better wifi connectivity were a few important feedback pointers received.</p>
<p>Program summary, analysis &amp; recommendation</p>	<p><b>DAY 1 (05-01-2023)</b></p> <p><b><u>DR. NIRMAL KURIAN (PROSTHODONTIST), VICE PRINCIPAL (Research and Innovation) CDC, Ludhiana</u></b></p> <p> LH 4,  8:30 AM</p> <p><b>SESSION-1-HOW TO PUBLISH IN HIGH IMPACT JOURNALS</b></p> <p>Lt. Col Munish Verma from MDC Secunderabad joined in for the morning session on day 1.</p> <p>Dr Nirmal started the lecture with this statement about publishing in high impact journals- 'Research not published is research not done.'Everything from a clinically relevant topic to current research based topic which can be beneficial to both patient and practitioners must be published in good journals according to him. He emphasized that the key to good research is to be observant and innovative.</p> <p>He also mentioned the importance of creating research profiles using resources available online like ORCID,</p>

ResearchGate, Web of science, Google Scholar

### **SESSION-2- IMPORTANCE OF DENTAL PHOTOGRAPHY**

Dr Nirmal reiterated that Quality photography in daily practice gives an edge in terms of results to a clinician.It also benefits the patient.

### **SESSION-3 -COMPLETE DENTURE REVISITED- PRACTICAL TIPS**

Col BP Panda CO,MDC Secunderabad joined the workshop for this lecture by Dr Nirmal..

Dr Nirmal shared tips in various steps of fabricaton of complete denture which can make a difference for quality denture delivery.

He reiterated that one must read standard textbooks in depth,apply the concepts clinically, learn from errors made repeatedly to learn the art of Complete denture Fabrication

### **DAY 2 (06-01-2023)**

### **DR. UMESH WADGAVE (PUBLIC HEALTH DENTIST) PG DIPLOMA-BIOETHICS**

 Library  08:30 AM

**SESSION 1-BASICS OF RESEARCH METHODOLOGY**

**SESSION 2 -SAMPLING METHODS**

**SESSION 3-STUDY DESIGNS – OBSERVATIONAL AND EXPERIMENTAL**

Maj. Gaurav Gupta,MDC Secunderabad joined in for lectures

on day 2.

Dr. Umesh Wadgave started the workshop with a brief introduction to Research methodology. He explained with simple examples and connected brilliantly with the young minds. He then taught the participants how to frame a research question. He also explained about

He then covered topics of study design, importance of sampling in research. He also explained briefly about measures of central tendencies. The students were provided with some assignments after each session to make the workshop interactive and also to assess each participant's level of understanding.

### **DAY 3( 07-01-2023)**

**DR. UMESH WADGAVE (PUBLIC HEALTH DENTIST) PG DIPLOMA-BIOETHICS**

📍 Library 🕒 08:30 AM

**SESSION 1 - DESCRIPTIVE AND INFERENCE STATISTICS**

**SESSION 2- HOW TO USE PUB-MED AND MENDELEY REFERENCE MANAGER**

Lt. Col Saurabh Sharma, MDC Secunderabad joined in on Day 3 of the Workshop.

Dr. Umesh started the day by throwing light on importance of latest technological resources in research. He then went on to explain about the descriptive and inferential statistics. He

gave a brief insight into case control and cohort studies and the participants were taught how to calculate the odds ratio and relative risk.

He explained in brief about randomized and non randomized control trials in experimental epidemiology.

This was followed by a brief questionnaire which was well received by the participants.

He then explained how to search medline database using pub-med search engine and went on to show how to use mendeley reference manager software for ease of referencing in articles.

Future recommendations included :

Repeated sessions on the same topic,

Session on how to write Systemic review and Meta analysis,

Tips and tricks in Microsoft office-word,excel,powerpoint.

**RESEARCH METHODOLOGY AND BIostatISTICS**

1. Army College of Dental Sciences is conducting a workshop on “Research Methodology and Biostatistics” on 5<sup>th</sup> (Thursday), 6<sup>th</sup> (Friday) & 7<sup>th</sup> (Saturday) Jan 2023.  
➤ TSDC Credit points: 18 points
2. Resource Person  
➤ **DR. NIRMAL KURIAN:**  
BDS, MDS (Prosthodontics) Diplomat – Indian Board of Prosthodontics Associate Professor,  
Vice Principal (Research & Innovation) Christian Dental College, Ludhiana  
➤ **DR. UMESH WADGAVE**  
BDS, MDS (Public Health Dentistry), PG Diploma - Bioethics Freelance Research &  
Biostatistics Consultant, Chief Dentist: Wadgave’s Dental Home, Bidar, Karnataka
3. **Program Schedule:**  
DR. NIRMAL KURIAN (5<sup>th</sup> Jan)
  - How to publish in high Impact Journal (*Experiences & Recommendations*)
  - Research Profile
  - Basic of dental photography
  - Complete denture revisited (*Practical tips for predictable results*)DR. UMESH WADGAVE (6<sup>th</sup> and 7<sup>th</sup> Jan)
  - Introduction to Research Methodology
  - Study Design: Observational
  - Study Design: Experimental
  - Sampling Methods Basic Descriptive Biostatistics
  - Inferential Biostatistics
  - Ethics in Research
  - Literature search techniques
  - Basics of Microsoft Excel (Data entry and Analysis)
  - Mendley Desktop Software(Reference Manager)
4. For Postgraduates, Interns and interested faculty
5. Registration fee: Rs 750 /

Bachelor of Dental Surgery  
(Gold Medalist)

## WORK EXPERIENCE

2022 - Present  
Christian Dental College

**Associate Professor, Research Guide,  
Senior Consultant**

Research guide to post graduate residents.  
Head of Pre Clinical Prosthodontics Program.  
Author in scientific publication in leading academic journals. Reviewer of Journal of Prosthetic Dentistry (Elsevier).

Special interest in Biomimetic restorations, Ceramic veneers, full mouth implant prosthesis

2018 - 2021  
Christian Dental College

**Assistant Professor**

Junior consultant in Prosthodontics clinics.  
Special interests in full mouth implant prosthesis and all-ceramic indirect restorations. In charge of academic sessions of final year undergraduate students.  
Authored multiple international scientific papers.

2011-2013

Christian Mission  
Hospital,  
Mungeli, Chattisgarh

**General Dentist**

As the sole dentist in 50km radius, independently managed a dental clinic in rural India, providing basic to advanced dental services along with trauma care and assistance to medical practitioners

MDS Public Health Dentistry (*Bapuji Dental College, Davangere*)

PG Diploma in Bioethics. (PSG center for Research & Bioethics, Coimbatore)

**Designation** Freelance Research and Biostatistics Consultant  
Chief Dentist: Wadgave's Dental Home, Bidar, Karnataka

**Area of Interest** Evidence Based Dentistry, Research Methods, Biostatistics and Research Ethics

**Publications** 45 Publications PubMed/Scopus/WoS indexed: 35  
Systematic Review/ Metanalysis: 05

### Listed few...

1. Evaluation of retracted publications in Dentistry: A systematic review. Indian J Med Ethics. 2022
2. Early Childhood Caries and Iron Deficiency Anaemia : A Systematic Review and Meta - Analysis. Caries Research. 2021
3. Evaluation of dental trials comparing baseline differences using p values. Acta Odontol Scand. 2019
4. Effect of training on evidence-based practice to undergraduate dental students: Pre and Post experimental study. Int J Evid Based Healthc. 2020,
5. Immunohistochemical Biomarkers in Oral Submucous Fibrosis – A Scoping Review. Journal of Oral Pathology and Medicine. 2022

### Courses & Workshops attended: 18

### Listed few...

1. Statistical Reasoning Public Health (Part I & 2): John Hopkins University
2. Design and Interpretations of Clinical Trial: John Hopkins University
3. Introduction to Public Health: COPE
4. Fundamentals of Clinical Trial: Harvard University
5. Multiple linear regression, Logistic regression and Survival analysis at CMC Vellore, India.
6. Developing a protocol for a Cochrane Systematic Review organized by South Asian Cochrane Network.

**Guest Lectures delivered** Nine Topics: Evidence Based Dentistry, Research Methods, Biostatistics and Research Ethics

**Achievements**

1. Awarded as Best **outstanding student** by of S. B. Patil Dental College and Hospital, Bidar, 2009.
2. Accomplished **distinction** in Design and Interpretation of Clinical Trials online course offered by Johns Hopkins University through Coursera,
3. Obtained **scholarship for the PG Diploma in Bioethics** course by PSG center for Research and Bioethics, Coimbatore, Tamil Nadu 2017.

**ARMY COLLEGE OF DENTAL SCIENCES**  
**RESEARCH METHODOLOGY & BIostatISTICS WORKSHOP**  
**FEEDBACK ANALYSIS**

DAY 1

What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Contrasts	Excellent	.	.
Never give up	Excellent	-	Well organized
It is possible	Excellent	-	-
Photography has a wide range of applicability in dentistry too. And proper documentation is very important and useful.	Excellent	Individual interactions with the students related to the topics could have been done.	Related aspects of different branches could also be included in future programs.
It is possible	Excellent	More interactive	More interactive
Publication importance	Excellent	Perfect program	Impact factor of article
Gained lot of awareness for what i was seeking for. Very informative and well put forward . VERY INSPIRING	Excellent	Excellent program	More programs on how to conduct research . The right steps from day 1 and how to organise research work
Research importance and how it is possible to publish in impact journals and photography	Excellent	More interactive sessions	More sessions with eminent faculty all around.
	Excellent		
Keep trying and learn for ur failures	Excellent	With some demo shown about dental photography	Some clinical case discussions
Any case done and not published has not been done.	Excellent	Dr. Nirmal sir was amazing. His knowledge about the topic and his way of presenting the topic was extremely good.	None.
Photography in dentistry lessons and mistakes to avoid while article publishing	Good	The lecture was excellent	Please keep lectures like these
Publication guidance	Excellent	Nil	Nil
High impact journal publications	Excellent	Excellence program	Excellent program
High impact research publications	Excellent	Interactive session	Yes definitely required
Publications	Good	No need	Yes
Research methodology is important aspect for every	Excellent	It should not be that much long	It should be conducted in every 6months

DAY 2

What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Help ful in research	Excellent	More examples	No
Normal curve	Excellent		
Learned how to do pubmed	Excellent	Good program	What after bds
Data interpretation	Good	Liked the teaching	Please more sessions
How to start a research	Good	By improving the sitting and lighting management	Same topics with new example
Learning statistics	Excellent	-	-
Biostatistics	Excellent	More interactions	More programmes in the future
Hypothesis formulation	Excellent	Perfect program	How to write synopsis for pg students
Research methodology	Good	It was good but more practical workshop can be done	Systematic reviews in LD
Theoretically sampling and biostatistics. And different methods of Research.	Excellent	Interactive sessions.	More sessions and group activities involved.
Research methodology	Excellent	More interactive	More interactive
How to search the articles	Excellent	Better wifi facility	About meta analysis and systemic reviews
Dental photography was excellent	Excellent		Definitely yes
Statistics and introduction to various studies	Excellent		Definitely yes
Learning about the basics of biostatistics and how to use them in our research and articles.	Excellent		A general test on the topic would be very helpful for our revision.
Research methodology	Excellent		
Learning new techniques for our thesis, LD and short studies	Excellent	The programme was excellent	I would like to know better about meta analysis
Informative	Excellent	Good	Good
Familiarity with bio statistics	Excellent	More interactive session	More examples should be included
Research question frame	Excellent	Excellent program on research	-
Good knowledge about statistics and studies	Excellent	All good	Need same sessions in future

Do most of the statistical analysis yourself, don't depend too much on the statistician	Excellent	More group based activities	-
Biostatistics	Excellent	Not required	Rct
Basic biostats	Excellent	Nil	One additional session for biostats and research design for systematic reviews, meta-analysis, etc
Difference between terms detailed explanation	Excellent	I think the program was good	Speaker was good. Gained so many insights.
What are the different types of analysis	Excellent	Audio-visual aids need to be improved	More such programmes about biostatistics
	Excellent		
Selection of topics ,title framing and methodology for research	Good	More detailed explanation regarding predatory journals	Focus on the identification of predatory journals would be helpful

DAY 3

What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Research	Excellent	More examples, network	No
Mendeley reference manager	Excellent	.	.
Good	Excellent	Good program	.
How to use pubmed	Excellent	More of interactive session	.
Pubmed shortcuts	Excellent	-	-
How to use pubmed and mendley	Excellent	Next session should be in a good Wifi zone.	Mental health
Pubmed and mendley articles search	Good	More detailed mendley search	Systematic reviews
Good lecture	Good	Good lecture	Need more sessions like this in the future
To invest my time in future in research	Good	Visual aids	Nil
Observational study design	Excellent	Syatematic review research discussion	Yes
Mendeley software	Excellent	Perfect program	NA
How to use pubmed and mendley online resources for the better and advance ways in working for ones Research.	Excellent	More sessions that can include operational workshops and quizzes and group activities.	More interactive
Research methodology	Good	Review	No recommendations
Research methodology	Excellent	More interactive	More interactive
How to uepubmed and mendley	Excellent	Better wifi facility	More info about mendley

## **HOW THE PROGRAM COULD BE IMPROVED**

<b>S.no</b>	<b>Please give your thoughts as to how the program could be improved</b>	<b>What were your key takeaways from the program?</b>
1.	Good	Good
2.	Satisfied	Very informative
3.	No improvement	Ask patient fearlessly
4.	Information about support group	Observe the domestic violence cases and talk to the victim
5.	By more case presentation	To help people in need
6.	It was good	Domestic violence
7.	More sessions	Report about domestic violence
8.	it was good	Stand up against domestic violence, motivate patients but do not force
9.	Content is enough	Thing which distributed anyone is domestic abuse
10.	More interactive	Domestic violence
11.	To circulate numbers of NGOs	To see and report, ring a bell
12.	More interactive	Signs of violence in the patients
13.	-	Speak up
14.	It is perfect	Report domestic violence
15.	By helping handle such situations by example in clinics	It's a very prevalent issue
16.	Na	Workplace awareness
17.	Was good	Got to know the measures we can take and upto how much extend in cases of domestic violence
18.		Identification and examination of patients undergoing domestic violence
19.	It was very good	It was a good learning experience
20.	No improvement required	What were your key takeaways from the program?
21.	A victim is needed to show	Good
22.	None	Very informative
23.	To talk about the communication gaps between victim and helpline	Ask patient fearlessly
24.	The programme was excellent	Observe the domestic violence cases and talk to the victim

25.	More sessions	To help people in need
26.	It was excellent	Domestic violence
27.	Can be improved by using more graphical representation	Report about domestic violence
28.	Good lecture	What were your key takeaways from the program?
29.	Nil	Good
30.	Better program	Very informative
31.	-	Ask patient fearlessly

### Report on International Women's Day

Date: 10/03/2023

To,  
The Principal,  
ACDS-Secunderabad.

Respected Sir,

The following are the Extension Program details conducted by Department of Public Health & Preventive Dentistry.

**Date:** 09/03/2023

**Timings:** 12pm onwards

**Place:** Shusrutha Auditorium-ACDS

**Total no of beneficiaries:** 99

#### Outcome:

On the occasion of International Women's Day, the Dept of Public Health & Preventive Dentistry organized & conducted the Program to accelerate the spirit of gender equality among student community and also to felicitate the best women staff who contributed extraordinarily to the growth of ACDS in various spheres.

The program was organized and conducted on 9<sup>th</sup> march since 8<sup>th</sup> march was a holiday initially the program started with Ganesh Vandanam rendered by 1<sup>st</sup> year student. The guest of honour Col NikhatJahan –Professor & Head of the Department of Anaesthesiology and Critical care and Lt Col Priyanka Prakash-Military Dental Hospital inaugurated the program by lighting Diya along with Principal Dr SubramanyaSharma and Col (retd)Gopala Krishna and other dignitaries.

Col Nikhat Jahan in her address to students emphasised to take up professional and personal challenges with courage and determination which motivated students. Lt Col Priyanka Prakash in her speech spoke on women empowerment for better life standards of women and society.

The celebrations of International Women's day started with Cultural programmes by budding Doctors. Cultural's were conducted with a message of Gender equality and Women empowerment.

**Poetry:** Miss Pragya (1<sup>st</sup> year student)  
Miss Juhi (3<sup>rd</sup> year student)

**Skit:** by 1<sup>st</sup> & 3<sup>rd</sup> year BDS students

**Song** by Miss Jerenna (3<sup>rd</sup> year)

A poster competition with a theme "Breaking the glass ceiling-Women empowerment" was conducted. The winners were awarded certificates.

Col NikhatJhan and Lt.ColPriyanka Prakash felicitated Teaching, Technical and Administrative women staff who contributed extraordinarily to the growth of ACDS. The following are the details

**Teaching Staff:**

1. Dr Neha Mehara (Senior Lecturer-Dept of Conservative Dentistry & Endodontics)
2. Dr Shubmita Verma (Senior Lecturer-Dept of Orthodontics & Dentofacial Orthopaedics)
3. Dr Ajita Rathi (Dept of Conservative Dentistry & Endodontics)
4. Dr Navejjet Kaur (Senior Lecturer-Dept of Oral & Maxillofacial surgery)
5. Dr Niharika (Senior Lecturer-Dept of Pediatric & Preventive Dentistry)

**Dental Hygienist:**

Mrs B.P.Lalitha Chandra Hass

**Staff Nurse:** Mrs G.Vanakumari

**Administrative Dept:**

1. Mrs Latha (Accounts Dept)
2. Miss Sreepriya (Establishment Dept)
3. Mrs. Savithri (Library section)
4. Mrs. Sangeeta Jana (Girls Hostel Warden)

**Consergency Staff:**

1. Mrs Sangeetha
2. Mrs. Jayalaxmi
3. Mrs. Uma Rani
4. Mrs. Pochamma

**Mess Staff:**

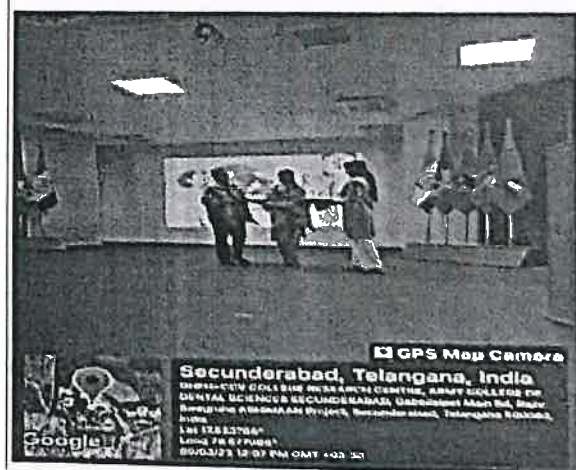

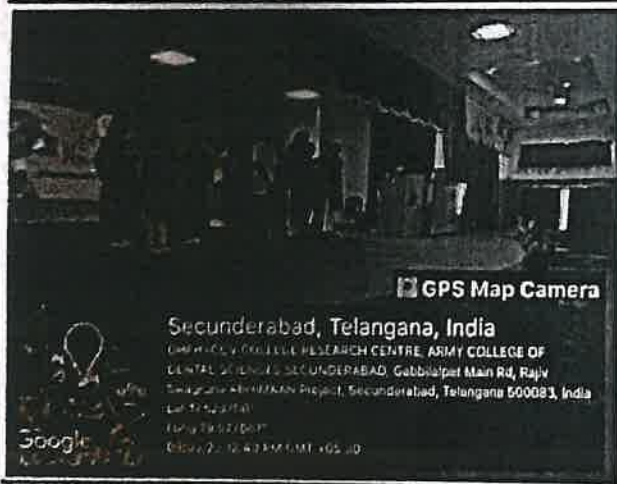

1. R.Renuka
2. Zehra Begum

**Vote of Thanks:**

Dr V.Prathima-HOD-Dept of Public Health & Preventive Dentistry thanked guest of Honour Col NikhatJahan and Lt Col Priyanka Prakash for their presence and valuable speech and all the students, staff present ,first but not the least Principal Dr Subramanya Sharma and Col(retd) Gopalakrishna for their guidance and support. The program concluded with a Slogan "Be proud to be a woman"

Dr. Ranjeet Singh  
Director  
Sherlock Institute of Forensic Odontology  
New Delhi, India

Sub : List of interested participants (Interns, Postgraduate and Faculty) for Foundation course on Forensic Odontology from Army College of Dental Sciences, Secunderabad.

Respected sir,

Warm greetings from Army College of Dental Sciences, Secunderabad.

We are pleased to inform you that our Interns, Postgraduate and Faculty have expressed keen interest in registering for the upcoming Foundation Course on Forensic Odontology being virtually hosted by your prestigious institute.

For ease of logistics, We have attached a list of participants with this document from Army College of Dental Sciences.

Looking forward to a great learning experience through the virtual course.

Thanking you

Yours Sincerely,

Feedback summary	The speaker effectively communicated the challenges associated with complex malocclusions and provided evidence-based approaches to their management. The incorporation of cutting-edge techniques and advancements in orthodontic technology was appreciated, as it kept the audience abreast of the latest developments in the field.
Program summary, analysis & recommendation	Attendees gained a deep understanding of the transformative potential of AI in dentistry, from diagnostics to treatment planning. Insights into the nuanced world of extra radicular screws provided clinicians with valuable tools for expanding their treatment options. The orthodontic session equipped participants with evidence-based strategies for tackling complex malocclusions, incorporating the latest advancements in orthodontic management. The meeting not only facilitated knowledge exchange but also fostered networking opportunities among dental professionals. The diverse range of topics catered to the varied interests of the attendees, ensuring a well-rounded and enriching experience.

### KOL Lecture Series-Roadmap to a Career in the USA

A lecture on "Roadmap to a Career in USA" was organised by Scientific Academic Forum and Dental Education Unit for Post graduate students, interns and faculty on 29<sup>th</sup> March 2023 at LH4. The program was scheduled from 9.00am-10.30am and the lecture was delivered by Cdr TJ Barring, President JNB Group of Companies, Former Commander (Indian Navy).

It was an interactive session where the speaker discussed various options for BDS students to pursue a Career in USA. He primarily motivated the students to join the armed forces and in case they wished to move to the US for further studies, to join the MHA course and/or get work experience as dental assistants and MSN nurses as these stints help financially and add to ones clinical experience. He then motivated the students to focus on quality research work on their journey toward pursuing the dream of a DDS degree. He then went on to introduce the gathering to the scholarship funded by Indian Veterans in USA which covers in part for educational courses for dentists and provides guidance and support to students while in the US. It was a well-received lecture by all the participants and was very interactive where audience raised their doubts which got clarified satisfactorily.

Cdr TJ Barring Delivering the lecture

**Feedback Analysis**

Designation	Do you think further sessions on the subject are necessary?	What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
IV BDS	Yes	.	Good	.	.
IV BDS	Yes	Career option	Excellent	It was good	.
Intern	Yes	Career option	Good	It was gud	Yes
IV BDS	Yes	-	Good	-	-
I MDS	No	Career in us	Good	It was good	More interactive
IV BDS	Yes		Excellent		
IV BDS	Yes	Abroad studies.	Excellent	It was well explained.	Conducting more such sessions
IV BDS	Maybe	.	Good	.	.
I MDS	Yes	Alternate routes for Dds	Good	Soft copy of material and links	Contact details of lecturer
IV BDS	Yes	-	Good	-	-
IV BDS	Yes	Got to know about the criteria and different other options available	Good	More videos and procedures regarding the same could have been displayed	UAE and Germany riad maps after bds
Intern	Yes	It opened a new pathway for entry to US.	Excellent	We should have further sessions like this.	Programs for entry in other countries too
IV BDS	Yes	Future in USA after BDS	Excellent	It was good	
Intern	Yes	Carrier options in USA after BDS	Excellent	It was all good	Veterans from different countries could help to know the programs in those countries as well.
IV BDS	Yes	Future Options post BDS	Excellent	By more visual aids	Non Clinical routes post Dentistry
IV BDS	Yes	How to pursue DDS in usa	Excellent	More info on how to apply for the programme	Should be held often
IV BDS	Maybe	Career option	Excellent	.	.
Intern	Yes	Idea about mha programs	Good	.	Definitely yes
Intern	Yes	Career planing after bds	Good	Satslfuld with th program	No suggestions

IV BDS	Yes	MHA is also a nice option.	Excellent	None	More such programs should be done
Intern	Yes	MHA course and its pathway	Excellent	-	Yes
Intern	Maybe	New career opportunity	Good	Good work	Future opportunities in India
Intern	Yes	Ways and help we have to go abroad and continue our career	Excellent	Everything was good	There should to more programs like this
IV BDS	Yes	We can have a great future in other countries on the basis of the knowledge of our country	Excellent	By providing more session and details	Providing courses in other countries as well
Intern	Yes	Application process was made easier	Excellent		
Intern	Yes	It was really nice and interactive session.. Gave an insight upon how to apply for US	Excellent	..	..
Intern	Yes	Got to know about MHA.	Excellent	Better presentation	About business management and opening of individual clinic.
IV BDS	Yes		Good		
Senior Lecturer	Yes	How to have a career in USA	Excellent	-	-
IV BDS	Yes	Career pathway	Good	Clear information on how to apply	
Intern	Yes	Nice lecture and get idea of future prospects after bds	Excellent	No need	yes
IV BDS	No	How to apply and what options are available	Excellent	Program was very good concise to the point and clear	Would like more q and a
Intern	Yes	I will definitely look into it	Excellent	Lecture along with presentation would help	Programs for Other countries also
IV BDS	Maybe	It was good know about the options about our carrier after bds in US.	Excellent	It was already excellent. No need for improvement	None
Intern	Yes	A newer perspective towards a career in the united States	Excellent		
Intern	Yes	Mha program in us	Excellent	None	Programs for courses in cannada
IV BDS	Yes	It helped me a lot for my career	Excellent	About dds more description	Dds programme
Intern	Yes	Knowledge about carrier options	Good	-	-
IV BDS	Yes	Good to know about the options regarding career after bds	Excellent	No need of improvement	Definitely necessary to take up more programs
IV BDS	Maybe	Career option	Good	-	Yes
IV BDS	Yes	MHA, DDS carrer programs	Good		

Intern	Yes	Informative session on how to go about various career programs in US	Excellent	Use of powerpoint	Research aspects of dentistry
Intern	Yes	Career in usa	Excellent	One more session	Mha
Intern	Yes	Planning	Excellent	Programme was gud	More programs
IV BDS	Maybe	Possible career options that we must look into	Excellent	More details must be given	We must have more of such informative programs
Intern	Yes	About Mha and mpa	Excellent	Insights from the people who have joined through this organization	HOW TO PURSUE DENTISTRY FROM OTHER COUNTRIES APART FROM UNITED STATES
Intern	Yes	Opened to new pathways	Excellent	More visual aids	Entry for other country
IV BDS	Yes	Clarity of the entire presentation, totally informative	Excellent	More visits amd talks with sir	More interactive sessions with sir
IV BDS	Yes	All point discused	Excellent	It was good	Yes needed
Intern	Yes	Clear and short idea given	Good	A little more clarity on the available institutions there	Good presentation
Intern	Yes	.	Excellent	.	.
IV BDS	Yes	.	Excellent	Nothing to improve	.
IV BDS	Yes	career opportunity	Excellent	already good	.
IV BDS	Yes	We can easily explore other options than dentistry in india	Excellent	Examples can be given of people who have enrolled for the program and were successful	We can get lectures for other countries as well
IV BDS	Yes	Dentistry in us	Excellent	PDF, manuals, brochure for future reference	Yes
Intern	Yes	BDS -> MHA -> DDS	Excellent	Give examples of people doing the same ..and how	Add example students going through the same route
IV BDS	Yes	Knowledge about the application process and differet carrer paths	Good	.	.
IV BDS	Yes	Route for career	Excellent	It was good	Such programms are helpful, more information n repetead programs like this would help us in mapping our career
Intern	Maybe	1st u will join the ADC	Good	One more session	Clinical based
IV BDS	Yes	Informative	Excellent	More sessions about other countries also	Career advise after BDS in UK also
Intern	Yes	Career opportunities in US	Good	More information about universities for application of different programs	Nil
IV BDS	Yes	.	Excellent	.	.
Intern	Yes	Helpful in understanding the ways	Excellent	How to apply and prepare for the same	How to enter in Army Dental Core in india

		to pursue our career in U.S			
IV BDS	Yes	Now I can surely think about pursuing my career in US with the help of this program.	Excellent	To provide any courses and research programs which will be important in future career pathway, as being right now in final year, and that can get add on with our BDS degree.	Please provide further courses and research programs which can add on with our BDS degree and also helpful for further career in US
IV BDS	Yes	About my carer opinion	Excellent	Nothing	Nothing
IV BDS	Yes	Career opportunity after BDS	Excellent	It was good	More career related program after BDS should be conducted
I MDS	Yes		Excellent	-	-
Senior Lecturer	Maybe	pursuing MPA, MHA, Nursing courses in US can help in admission to DDS	Excellent	students who are interested in these courses should be motivated to attend more of such lectures	it is good

### **Army College of Dental sciences**

#### **Department of Conservative Dentistry and Endodontics**

##### **Cons Endo Day**

Department of Conservative Dentistry and Endodontics, Army College of Dental sciences celebrated Cons Endo day on 4/04/2023. Every year On 5<sup>th</sup> March Indian Association of Conservative Dentistry and Endodontics (IACDE) observes Cons-Endo Day to educate the public about Endodontics, Conservative dentistry, restorative dentistry, and oral health .

This year under the capable leadership of Dr Mamta Kaushik, Professor and Head, the team organized an "Endo-Marathon" event on March 4, 2023, to commemorate National Cons-Endo Day. The event was inaugurated by Brig Somashankar, Officiating Chairman ACDS, General Officer Commanding, Telangana and Andhra Sub Area with lighting of lamp in presence of guests of honor, DCI members of the state, Dr. Pramod Kumar Gandra and Dr. G. Vikram Reddy along with Dr S Subramanya Sharma, Principal ACDS, faculty and students of ACDS.

The event commenced at 9:00 am and was successfully completed at 5pm. The department's faculty and residents performed 202 single visit root canal treatments on a single day in its "one of a kind" programme. This was done in order to provide quality care to all patients from all walks of life and all age groups from young to old. This remarkable feat was achieved by teamwork of 14 doctors with assistance from junior postgraduate students, interns, undergraduate students and non teaching staff. This event was covered by print media.

**DENTAL CARE** ACDS holds Endo-Marathon to mark Cons-Endo Day

# Docs lay stress on oral health

**DC CORRESPONDENT**  
HYDERABAD, MARCH 5

The faculty and residents of the Army College of Dental Sciences (ACDS) organised an endo-marathon on Saturday to mark National Cons-Endo Day.

The Indian Association of Conservative Dentistry and Endodontics (IACDE) observed the day to educate the public about endodontics, conservative dentistry, restorative dentistry, and oral health at the ACDS.

The department's faculty and residents performed 202 single-visit root canal treatments on 55 patients on the day in a one-of-its-kind pro-

Brig. K. Somashankar, chairman, Army College of Dental Sciences, and officiating GOC, Telangana and Andhra Sub Area, being introduced to the doctors of the Endodontics team at the Army College of Dental Sciences on Sunday.

gramme. The feat was achieved by 14 doctors working with assistance from junior postgraduate students, interns, undergraduate students and

non-teaching staff.

"The patients included a mix of ex-servicemen and regular patients who were on the waiting list for a while now. We had been planning the event for about 10 days," said Dr Mamta Kaushik, head of the department, conservative dentistry and endodontics, at the college. The event was inaugurated by Brig. K. Somashankar, Chairman, ACDS, and officiating General Officer Commanding, Telangana and Andhra Sub Area, in the presence of Dental Council of India members Dr Pramod Kumar Gandra and Dr G. Vikram Reddy along with faculty and students of ACDS.

Deccan Chronicle report on the event

## National Cons-Endo Day

The Indian Association of Conservative Dentistry and Endodontics (IACDE) observes Cons-Endo Day on March 5<sup>th</sup>, to educate the public about Endodontics, Conservative dentistry, restorative dentistry, and oral health. Under the capable leadership of Dr Mamta Kaushik, Professor and Head, the team organised an "Endo-Marathon" event at Army College of Dental Sciences (ACDS), Secunderabad on March 4, 2023, to commemorate National Cons-Endo Day.

The event was inaugurated by Brigadier K Somashankar, Chairman, ACDS and Officiating GOC, Telangana and Andhra Sub Area with the lighting of the lamp in the presence of guests of honour, DCI members of the state, Dr Pramod Kumar Gandra and Dr G Vikram Reddy along with faculty and

students of ACDS.

The department's faculty and residents performed 202 single-visit root canal treatments on 55 patients in one day in its "one of a kind" programme. This was done in order to provide quality care to all patients

from all walks of life and all age groups from young to old. This remarkable feat was achieved by the teamwork of 14 doctors with assistance from junior postgraduate students, interns, undergraduate students and non-teaching staff.

## Army College of Dental Sciences organises Endo-Marathon

HANS NEWS SERVICE  
HYDERABAD

TO commemorate National Cons-Endo Day and to educate the public about Endodontics, Conservative dentistry, restorative dentistry, and oral health, an "Endo-Marathon" event at Army College of Dental Sciences (ACDS), Secunderabad, was organised on Sunday.

The event was inaugurated by Brigadier K Somashankar, SM, Chairman, ACDS, and Officiating GOC, Telangana and Andhra Sub

Area. The department's faculty and residents performed 202 single-visit root canal treatments on 55 patients in one day in its "one of a kind" programme.

This was done to provide quality care to all patients from all walks of life and all age groups, from young to old. This remarkable feat was achieved by the teamwork of 14 doctors with assistance from junior post-graduate students, interns, undergraduate students and non-teaching staff, said a senior officer, Defence vwing, Hyderabad.

Army College of Dental Sciences is an amalgamation of individuals from all across the country representing the diverse patterns of the kaleidoscope. Just like each mirror in a kaleidoscope makes the image more complete, various aspects of our institution reflect the multifactorial approach to the epitome of patient care.

The main focus of the programme is to enhance the knowledge of the PG's which will help them in their future endeavors. This programme will also be beneficial to anyone else wanting to hone their knowledge in the field of Endodontics.

**REGISTRATION FEE**

IACDE MEMBERS: RS 2400/-  
NON - IACDE MEMBERS: RS 3000/-

Principal signature with seal	<i>Shubho</i> 20/4/23	

## SUMMARY - KALEIDOSCOPE 2.0

Department of Conservative Dentistry and Endodontics organized “Kaleidoscope 2.0” a two day National PG Conference. The conference saw a conglomeration of post graduate students from across the Nation. It hosted the best speakers from all over India.

The event was inaugurated by the DCI president Dr Dibyendu Mazumdar and attended by IACDE President and Secretary, DCI members of the state, Principals of Colleges of the state and Head of Departments from the Department of Conservative Dentistry and Endodontics . Dr Mazumdar commended the Institute for the effort in organizing such a grand event. He appreciated the discipline, cleanliness, and academic performance of the students from ACDS.

The conference benefited the postgraduate students from across the country to gain knowledge and learn from the best keynote speakers of our country.

The two-day conference had lectures by 13 keynote speakers who shared their knowledge in the specialty of Conservative Dentistry and Endodontics.

Conferences highlight our College as a premier institute and enhance the national perception of the college which will help in increasing our NAAC and NIRF ratings. NAAC Accreditation also gives additional points for hosting national-level conferences.

It was attended by 122 student delegates on site and 41 student delegates online.

We had an audience from various colleges like :

1. Goa Dental College and hospital
2. Government Dental College, Hyderabad
3. Institute of Dental Sciences, Bareilly
4. College of Dental Sciences, Davangere
5. Sri Sai College of Dental Surgery, Vikarabad
6. Mamata Dental College, Khammam
7. HKESN Dental College, Gulbarga
8. Meghana Institute of Dental Sciences, Nizamabad
9. Panineeya Institute of Dental Sciences, Hyderabad
10. MNR Dental College and Hospital, Sangareddy
11. P M S College of Dental Science and Research, Kerala

The programme included following speakers:

### Keynote Speakers

1.	Dr Raji Solomon	Diagnostic insights of pulp testing modalities and clinical strategies to manage dilemma of stressed pulp and hot tooth
2.	Dr Kunjal Mistry	Update on Rotary NiTi

3.	Dr Narasimhan Bharadwaj	Management of Separated instruments
4.	Dr V.B Srnidhi	Posterior indirect adhesive restorations
5.	Dr P. Udaya Kumar	Occlusion and forces acting on restoration
6.	Dr B. Vijetha	Biomimetic restorations
7.	Dr Neha Mehra	Management of Cracked tooth
8.	Dr Roshni	Exam Ready
9.	Dr Ajay Logani	Post and core
10.	Dr Paromita Mazumdar	Lay the fear and Ace the Inlay
11.	Dr Gaurav Prakash Kulkarni	Smile Design
12.	Dr Sarjeev Singh Yadav	Art and science of mastering- Grand viva, Thesis and Pedagogy -A real time Priming
13.	Dr. Jay Dev	The curve- management of abberant anatomy and curves canals.

## FEEDBACK

The conference was a fabulous success and received a lot of praise.

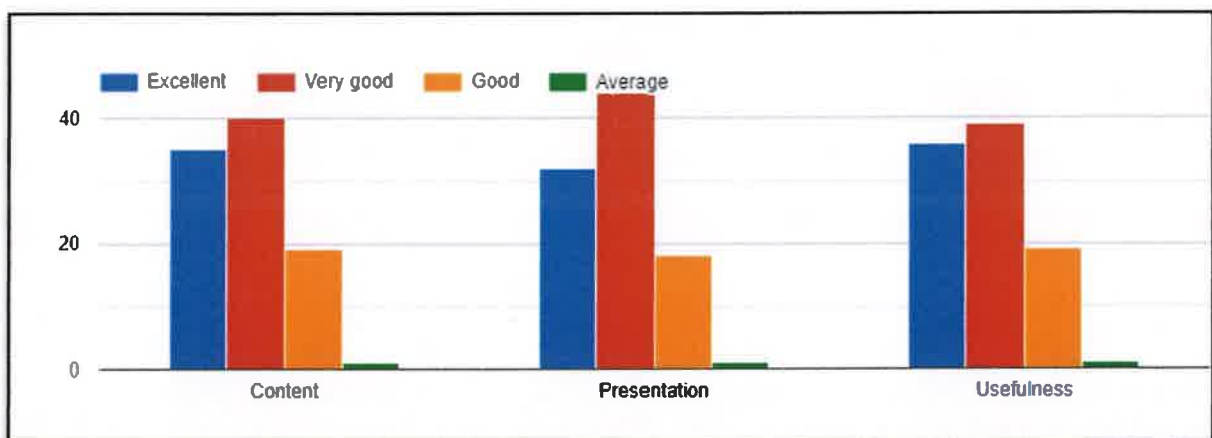

There was positive feedback with 52% of participants giving excellent response to the conference and 43.6% of participants giving very good response.

OVERALL FEEDBACK

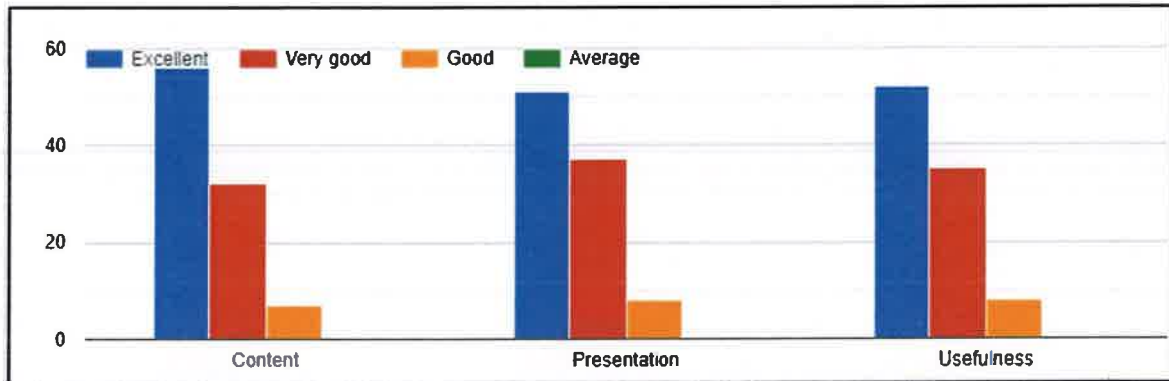

### Dr Raji Solomon

There was positive feedback with 80% of participants giving excellent response and 19% of participants giving good response to the lecture by Dr Raji Solomon on the topic diagnostic insights of pulp testing modalities and clinical strategies to manage dilemma of stressed pulp and hot tooth.

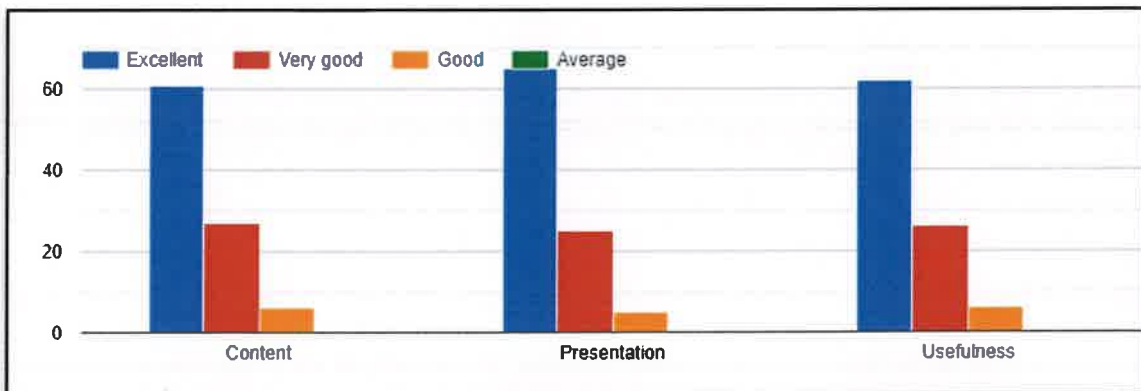

Dr Kunjal Mistry

There was positive feedback with 95% of participants giving excellent response and 5% of participants giving good response to the lecture by Dr Kunjal Mistry on the topic Update on rotary NiTi.

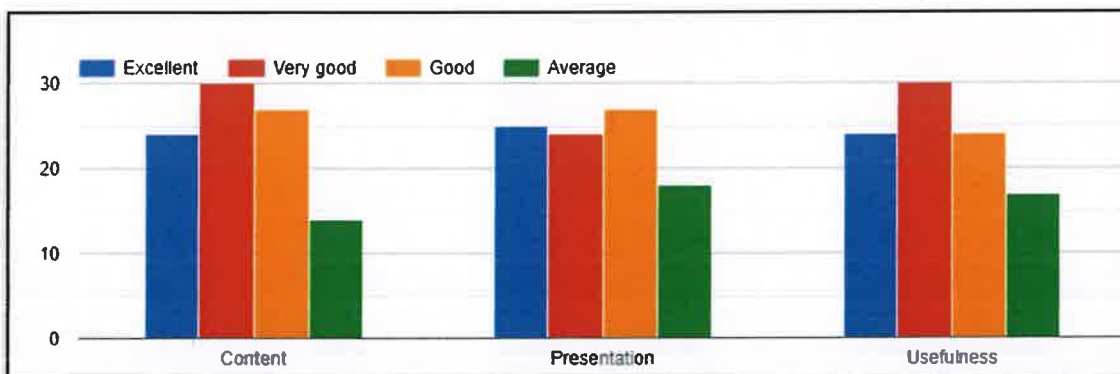

Dr. Narsimhan Bhardwaj

There was positive feedback with 95% of participants giving excellent response and 4% of participants giving good response to the lecture by Dr. Narsimhan Bhardwaj on the topic management of separated instruments.

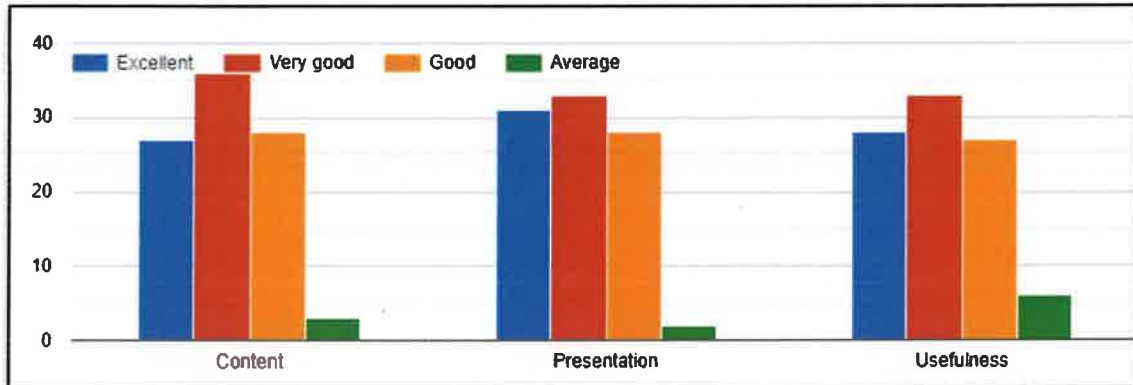

Dr. V B Srinidhi

There was positive feedback with 52% of participants giving excellent response and 28% of participants giving good response to the lecture by Dr. V B Srinidhi on the topic posterior indirect adhesive restorations.

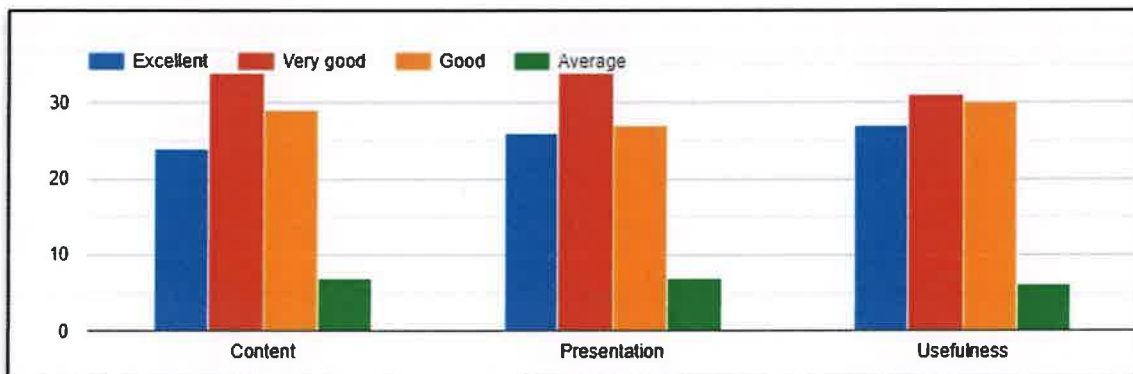

Dr. P Udaya Kumar

There was positive feedback with 68% of participants giving excellent response and 29% of participants giving good response to the lecture by Dr. P Udaya Kumar on the topic occlusion and forces acting on restoration.

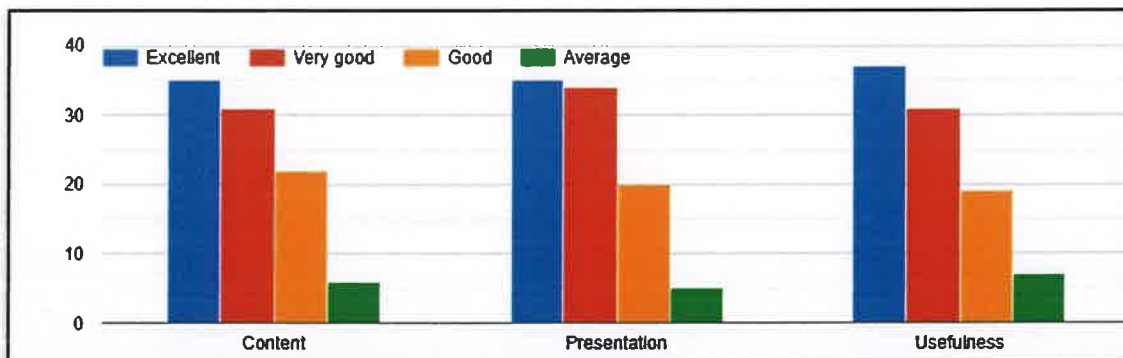

Dr. B Vijetha

There was positive feedback with 63% of participants giving excellent response and 28% of participants giving good response to the lecture by Dr. B Vijetha on the topic Biomimetic restorations.

Dr Roshni

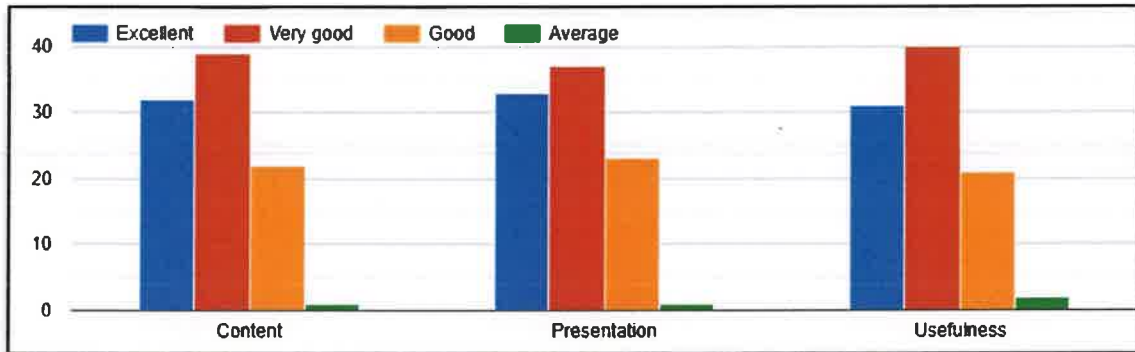

There was positive feedback with 73% of participants giving excellent response and 21% of participants giving good response to the lecture by Dr Roshni on the topic exam ready.

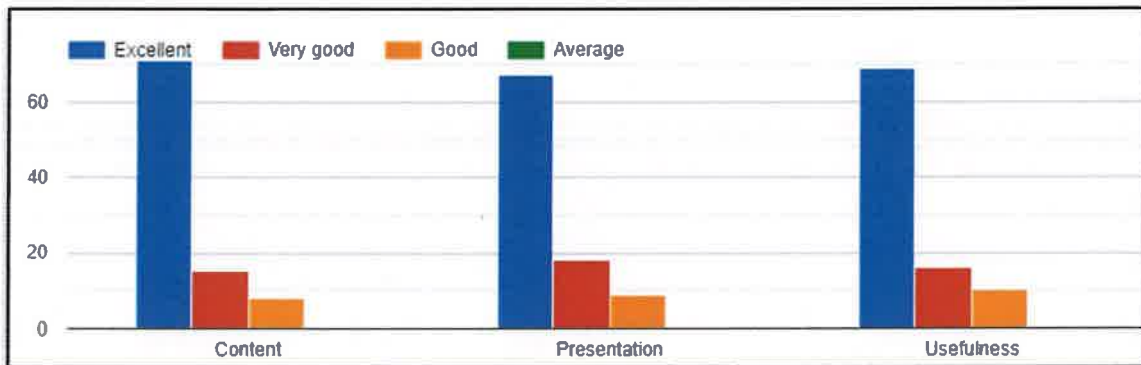

Dr Neha Mehra

There was positive feedback with 75% of participants giving excellent response and 24% of participants giving good response to the lecture by Dr Neha Mehra on the topic management of cracked tooth.

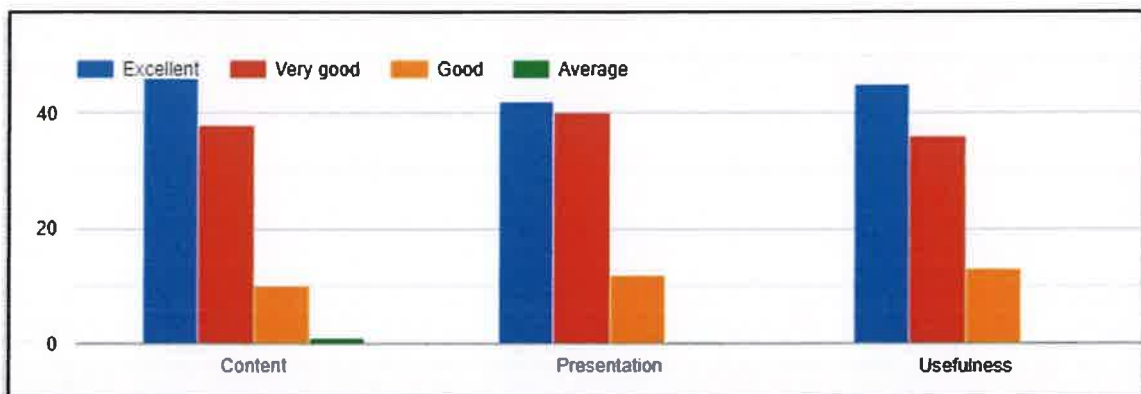

Dr Ajay Logani

There was positive feedback with 91% of participants giving excellent response and 9% of participants giving good response to the lecture by Dr Ajay Logani on the topic post and core.

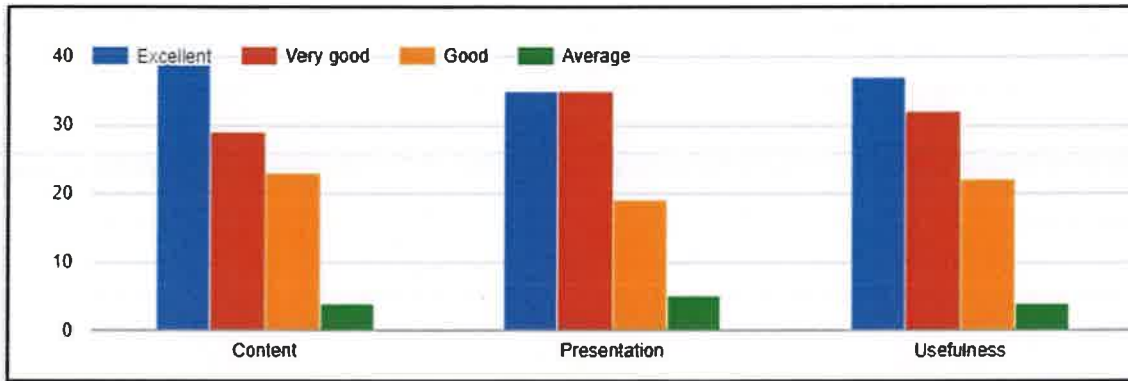

Dr Paromita Mazumdar

There was positive feedback with 87% of participants giving excellent response and 13% of participants giving good response to the lecture by Dr Paromita Mazumdar on the topic Lay down the fear and ace the inlay.

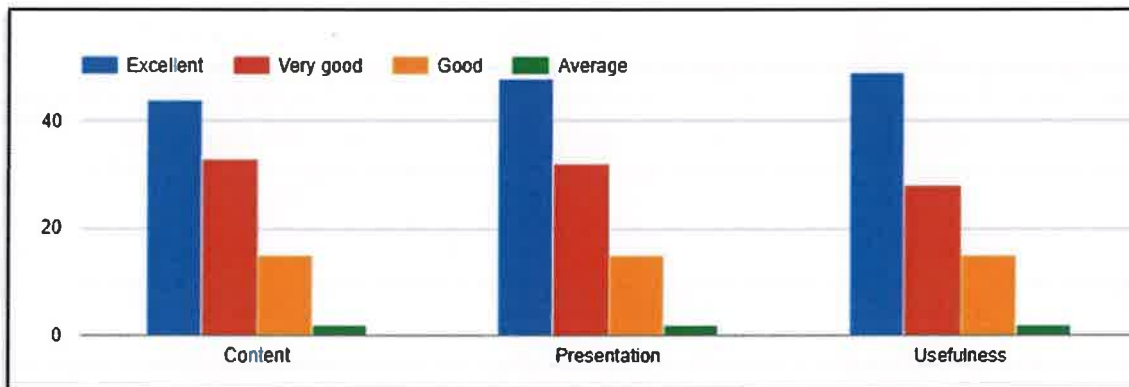

Dr Gaurav Kulkarni

There was positive feedback with 75% of participants giving excellent response and 20% of participants giving good response to the lecture by Dr Gaurav Kulkarni on the topic Smile design.

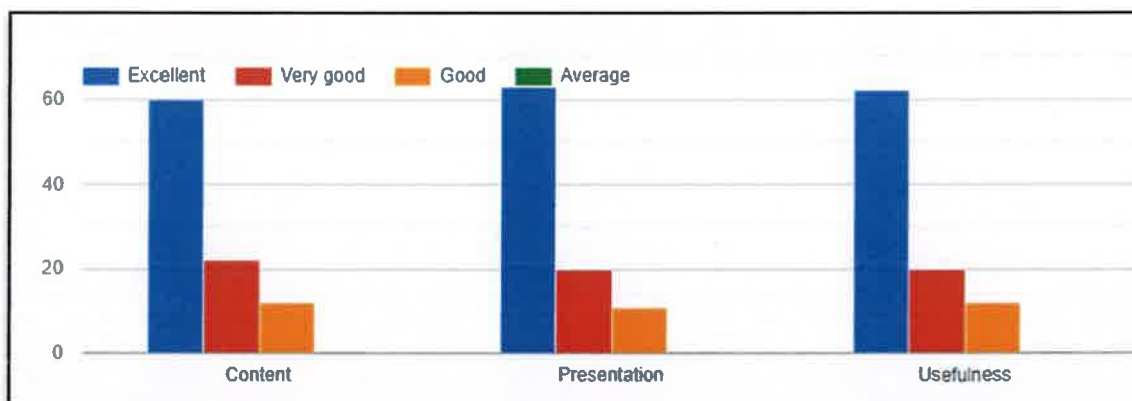

Dr Sarjeev Singh Yadav

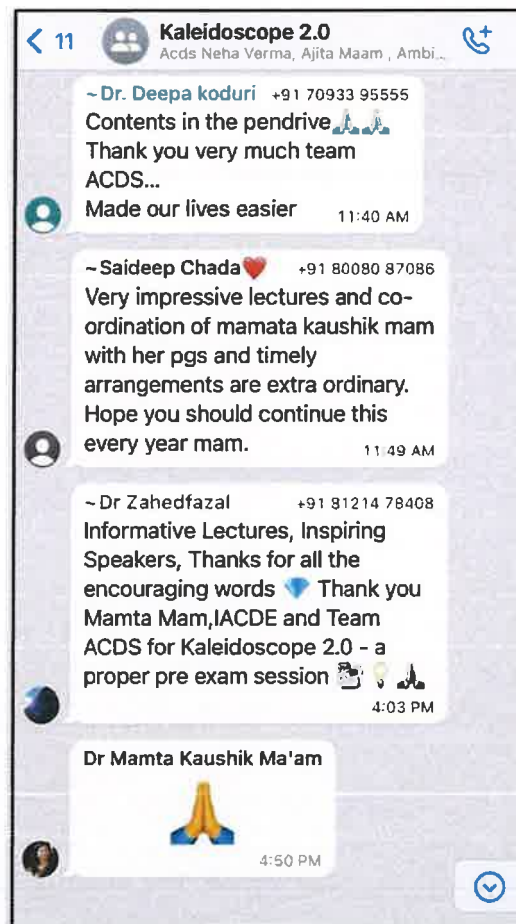

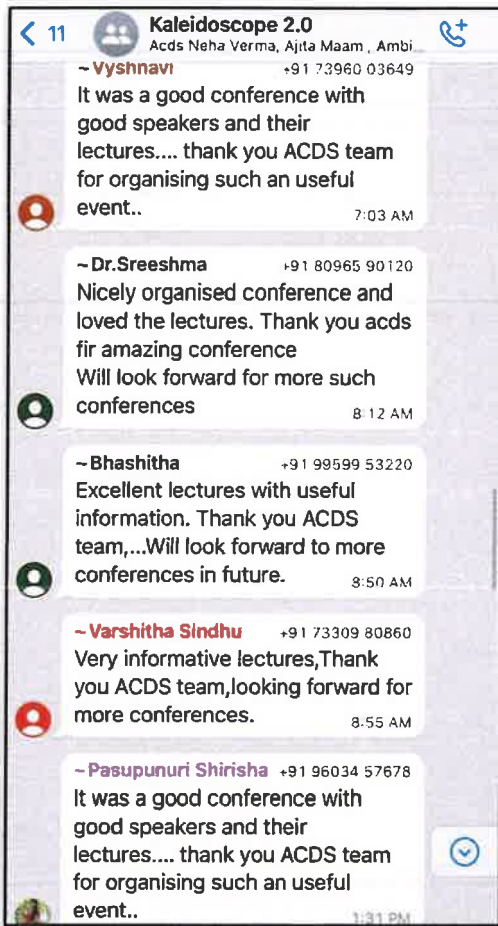

There was positive feedback with 85% of participants giving excellent response and 15% of participants giving good response to the lecture by Dr Sarjeev Singh Yadav on the topic Art & Science of Mastering - Grand Viva, Thesis & Pedalogy. a real time priming.

Dr Jaydev

There was positive feedback with 88% of participants giving excellent response and 12% of participants giving good response to the lecture by Dr Jaydev on the topic The Curve: Management Of Aberrant Anatomy & Curved Canals.

## ACDS hosting two-day dental meet

### The Hindu Bureau

HYDERABAD

The Army College of Dental Sciences (ACDS) is hosting a two-day conference in the field of Conservative Dentistry and Endodontics titled ‘Kaleidoscope 2.0’ in association with Indian Association of Conservative Dentistry and Endodontics.

The programme was inaugurated by Dental Council of India president Di-byendu Mazumdar, and ACDS chairman Major General Rakesh Manocha, on Monday.

The two-day meet aims to provide a platform to endodontic specialists to enhance their skills and expertise in the specialty. It is being attended by 150 participants from all over the country.

Dental surgeons, DCI members, heads of the department of Conservative Dentistry and principals of dental colleges in Telangana also participated in the deliberations.

<p>Program summary, analysis &amp; recommendation</p>	<p>The program was held in Shushruta Auditorium at around 9:30am.</p> <p>In session 1, Dr. Vidya Hari Iyer started the lecture with the statement that “Laser Dentistry – No pain Dentistry”. Her first lecture was on soft tissue laser where she explained physics, dynamics and types of soft tissue lasers used in dentistry and their functions in various aspects of dentistry. The lecture was followed by Hands on soft tissue lasers using Biolase. 1<sup>st</sup> session was followed by lunch.</p> <p>ANALYSIS: It was well received by the Post graduates and Interns. There was a interactive session where in all the questions from audience were answered. Students felt the program was excellent and could have a even more good scope if hands on was given to all the participants and rest staff also had good practical approach to different case scenarios projected in the presentation.</p> <p>FUTURE - RECOMMENDATIONS :</p> <p>a) In future, students would like to have programs with lectures along with Hands On on oral Implants, Full mouth Rehabilitation, CBCT workshop, Intraoral scanners</p>

<p>Program summary, analysis &amp; recommendation</p>	<p>In 2<sup>nd</sup> session Dr. Vidyaa Hari Iyer gave a lecture on Hard tissue lasers where she explained physiodynamics and use of hard tissue lasers. The lecture was followed by discussion of questions asked by participants. Dr. Vidyaa Hari Iyer answered the questions and cleared the doubts of the participant. The session was followed by felicitation of Dr. Vidyaa Hari Iyer and certificate distribution to the participants. Overall, the program was a success with positive feedback. Approximately 80% of the participants rated the program excellent and 20% rated as good. Future recommendations included repeated sessions on same topic, Oral Implants, CBCT, and CAD-CAM.</p> <p>ANALYSIS: It was well received by the Post graduates and Interns. There was a interactive session where in all the questions from audience were answered. Students felt the program was excellent and could have an even more good scope if hands on was given to all the participants and rest staff also had good practical approach to different case scenarios projected in the presentation.</p> <p>FUTURE - RECOMMENDATIONS:</p> <p>a) In future, students would like to have programs with lectures along with Hands On for Oral Implants, Full mouth</p>

### **Report on No Tobacco Day**

Date: 01/05/2023

To,  
The Principal,  
ACDS-Secunderabad.

Respected Sir,

The following are the Program details conducted by Department of Public Health

Dentistry

Date: 31/05/2023

Timings: 9am to 3pm

Place: Department of Oral Medicine & Radiology-ACDS

Total no of beneficiaries: 56

#### **Outcome:**

On the occasion of No Tobacco day, the Dept. of Public Health Dentistry organized & conducted the Program to bring awareness among general public attending ACDS. Placards of Ministry of Health & Family welfare were displayed on the ill-effects of tobacco and pamphlets were distributed. Carbon monoxide Smoke analyser was used and people were informed about the ill-effects of tobacco usage and counselled to quit the habit. Fagerstrom index was recorded in TCC Registration format by Interns. People with high level of addiction were advised for follow up.

**Remarks:** The program was conducted by Interns posted in the Dept. of Public health Dentistry enthusiastically and they learnt to deal with cases for Tobacco cessation counselling

## PROGRAMME REPORT

### NATIONAL DOCTOR'S DAY CELEBRATION ON 1<sup>ST</sup> JULY 2022

#### ARMY COLLEGE OF DENTAL SCIENCES

The Army College of Dental Sciences celebrated National doctor's day with a lot of fervor on 1st July 2022.

The day started with the felicitation ceremony to thank the doctors for their contribution to society followed by the small cake cutting ceremony. Col BP Panda Commanding Officer, MDC Secunderabad and Dr. Pinaki Sen, Chief Consulting Maxillofacial Surgeon at Sheikh Zayed Military Hospital Abu Dhabi were the guests of honour.

To mark the importance of the day team ACDS also gave a health talk on healthy living and Covid preventive measures at Government primary school yapral to about 250 students. Oral health screening and treatment camp was also organized at Swayamkrushi, a home for special and differently abled at Balaji Nagar, Secunderabad . 70 people were screened and 10 were treated.

Our students also brought their creative best to the fore with various posters depicting a Doctor's contribution to the society. The students and faculty also planted saplings as a noble gesture marking the importance of Doctor's day.

#### 1. FELICITATION CEREMONY ON NATIONAL DOCTOR'S DAY

**2. ORAL HEALTH TALK, SCREENING AND TREATMENT CAMP AT SWAYAMKRUSHI, HOME FOR DIFFERENTLY ABLED ON DOCTOR'S DAY**

**3. POSTERS DEPICTING A DOCTOR'S CONTRIBUTION TO THE SOCIETY BY STUDENTS OF ACDS**

**4. PLANTING OF SAPLINGS TO MARK THE IMPORTANCE OF NATIONAL DOCTOR'S DAY**
