PROGRAM REPORT:BDS INDUCTION PROGRAM – 2022

An Induction program was conducted for the BDS Batch 2022 from 16.11.2022 to 19.11.2022. This one-week programme was initiated by the Principal, Dr. Subramanya Sharma and coordinated by the Dental Education Unit i.e. Dr. Krishna Priya V, Dr. Ajay Reddy, Dr. Madhusudhana Rao, Dr. Soujanya and Dr. Saigeeta. The first day of induction program was graced by Dr. Subramanya Sharma, Principal, Col. P.G. Krishna, Registrar, Head of various departments and all the teaching faculty members. All firstyear BDS students have attended the program. The program began with the Welcome speech by Principal, Dr. Subramanya Sharma, followed by Registrar, Col. P.G. Krishna. An overview on college was given by the college video. An Insight to BDS curriculum, Outcome based education was given by Dr. Harshavardhan Jois. Dr. Mamta Kaushik enlightened students with psychological counseling, soft skill development, mentoring and coaches for sports and cultural events. Followed by Dr. Mrunalini Koneru, who explained the students about Safety and security in the campus, Hostel rules and regulations, Emergency care and Grievance Redressal mechanism. On the following days of the program, the BDS students were given an insight into topics like Prevention of Sexual Harassment, Research as a learning tool, Awards and Prizes to be won, Scholarships to be applied for every year, Anti-Ragging Policies, Psychological counseling, Lecture on professional ethics and jurisprudence by faculty members of various departments. They were also introduced to college committees. Students visited all the Departments and interacted with Head of the Departments and faculty members. Faculty members explained about the facilities available in their departments. Students also visited Charminar, Dental Depots and nearby Old age home. First years were also given the opportunity to participate in various Sports and Cultural activities. Last day of the Program was White Coat ceremony; DCI member Dr. Pramod graced the occasion as Chief Guest. The overall program was well received by all the BDS 1st year students with positive feedback.

PROGRAM REPORT

An induction program was conducted for the MDS Batch 2022-2025 from 21st November to 26th November, 2021. This one-week programme was initiated by Dr. Subramanya Sharma, Principal and coordinated by the Dental Education Committee and Scientific Academic Forum. The first day of induction program was graced by Dr. Subramanya Sharma, Principal, Col. P.G. Krishna, Registrar, Head of various departments and all the teaching faculty members. All first year MDS students attended the program.

The program began with the lecture "Introduction to ACDS", by Dr. Mayuri Ganesh, Reader, dept of Pedodontics, followed by an ice breaking session of self- introduction for the students. On the following days of the program, the MDS students were given an insight into topics like details of MDS Syllabus, Mentorship program, Sexual Harassment, Documentation of dental records, Importance of clinical case recording, Dental photography, Effective seminar presentation, Research methodology, Basics of biostatistics and bio ethics, Principles of Andragogy, Interdisciplinary management of clinical cases, Soft skills, PBL,CBL and computer skills by faculty members of various departments.

They were also introduced to college committees, anti- ragging and code of conduct. Students visited all the Departments and interacted with Head of the Departments and faculty members. Faculty members explained about the facilities available in their departments.

The overall program was well received by all the MDS 1st year students with positive feedback.52.2% agreed that the program was excellent and 47.8% agreed that the program was good.

ADVANCED SURGICAL SKILL SIMULATION COURSE FOR ORAL IMPLANTOLOGY & BOTOX

1. Department of Oral and Maxillofacial Surgery is conducting "Advanced Surgical Skill Simulation Course for Oral Implantology & Botox" on 1st (Friday) & 2nd (Saturday) July 2022.

2. Program Schedule :-

DAY 1			
(1ST JULY 2022)			
Time	Session	Topic	Participants
8.30am- 9:00am		Registration	Post Graduates and Faculty of ACDS
9.00am - 9.30 am		Inauguration	
9.30am -11.30am	Session 1 (Dr. Pinaki Sen)	Interpretation of CBCT	
11.30am-11.45am		Tea break	
11.45am-1:30pm	Session 1 (Dr. Pinaki Sen)	Application of software in treatment planning for Oral Implantology	
1:30pm-2:00pm		Lunch break	
2:00pm-4.30 pm	Session 2 (Dr. Pinaki Sen)	Design and delivery of surgical splints for oral implant and live demonstration of intraoral scanner and 3D printer	

DAY 2 (2 nd JULY 2022)			
Time	Session	Topic	Participants
8.30am-10.30am	Session 3 (Dr. Pinaki Sen)	Demonstration of ideal surgical site preparation.	Postgraduates and Faculty of ACDS
10.30am-11.00 am	Tea break		
11.00am-1.00pm	Session 3 (Dr. Pinaki Sen)	Demonstration of surgical site augmentation and high end technology.	
1.00pm-2.00pm	Lunch break		
2.00pm-4.00pm	Session 4 (Dr. Pinaki Sen)	Clinical demonstration and hands on of Botox injection for Facial Rejuvenation	
4.00pm-4.30pm	Felicitation Program

RESOURCE PERSON

1. Dr. Pinaki Sen **MD, BDS, FDSRCS, MBChB, MRCS, FRCS(OMFS)**

Consultant Maxillofacial Surgeon, Sheik Zayed Military Hospital Abu Dhabi,

About DR. Sen

Dr. Pinaki Sen did his BDS from Madras Dental College. He got his MBChB degree from university of Liverpool, England and his MRCS, FDSRCS, FRCS(OMFS) from Royal college of physicians and surgeons of Glasgow

Dr Pinaki Sen worked as a consultant at Norfolk and Norwich University Hospital, UK and moved to UAE in July 2018 where he works as a chief consultant of Head and Neck Surgery at Sheikh Zayed Military Hospital, Abu Dhabi, UAE

His special interest is in maxillofacial trauma deformity, dento-alveolar fractures, temporomandibular disorders, dental implants and salivary gland disorders

- Nasal floor lift and grafting should not be more than 3-4mm
- Maxillary Sinus lift – 10-12mm is preferred.

The second session was live demonstration of surgical site augmentation and high end technology on medium density fibre board(mandible) by Dr Pinaki Sen where he showed the incision, flap reflection, defect preparation at the alveolar ridge, bone graft harvesting from the donor site, usage of particulate bone graft, release of periosteum, membrane adaptation and flap closure. Each of the six groups received a model and was asked to perform the same and was actively supervised.

The next session was the demonstration of sinus lift procedure on goat model (goat head) and harvesting the bone graft using piezotome by Dr Pinaki Sen. This session provided a real time direct visualization of creation of lateral window, detaching sinus mucosa during mucosa elevation and adaptation of graft on the elevated sinus lining.

The participants were directed to perform the same on the goat model and were closely supervised. The lateral wall of the goat sinus which is relatively thin and was easily trephined simulated and resembled the surgical environment in the human edentulous posterior maxilla.

DAY 2

DATE- 2nd July 2022

Time: 08:30am to 2:30pm

The workshop started by an interactive session where the participants were provided an opportunity to clear their queries and doubts about the previous day session.

The first session was the demonstration of window preparation for sinus lift on egg by Dr Pinaki Sen using Piezotome and the participants were directed to perform the same on their egg model.

Next session was live demonstration of placement of zygomatic and pterygoid implants on dry skull by Dr Pinaki Sen and the participants were asked to perform the same on stereolithographic model of midface

- Creation of a lateral window in the sinus wall was used as a guide to assess the direction and position of the zygomatic implants.
- The length of implants (30 to 52.5mm) was used to rehabilitate posterior sector

The last session was an interesting session on demonstration working of intraoral scanner and **3D printer**.

The workshop was ended by felicitating the distinguished speaker Dr Pinaki Sen.

Program Type	Lecture and Hands-on Surgical Skill Simulation Course
Venue	Pre-Clinical Lab, Department of Conservative Dentistry and Endodontics, ACDS
Resource person & Topic	COURSE DIRECTOR Dr. Pinaki Sen MD , BDS , FDSRCS , MBChB ,MRCS FRCS(OMFS) , Chief Consultant Oral And Maxillofacial Surgery at Sheikh Zayed Military Hospital, Abu Dhabi , UAE TOPIC "Advanced Surgical Skill Simulation Course For Oral Implantology"
Coordinator Name	Dr. Madhusudan Rao, Dr Sukhwinder Bindra, Dr Ajay Reddy, Dr. Abhinav Dr Bhanuchandar

Permission details	Principal Office, ACDS
CDE points	12 Given
No of Registrants/Participants	50
Sponsors	SARK HEALTHCARE Company Sponsored the Dummy practice material for the programme and a team from Blu Oceana, Chennai also demonstrated the 3 D Printing software.
Feedback summary	<p>The Programme was received well by participating faculty and Post graduate students.</p> <ul style="list-style-type: none"> • 77.8 % rated the overall content of the program as excellent & 22.2 % as good. • Learning Objectives were "clear" for 94% respondents and the course content was well organized according to 96.6% respondents. • Majority of the participants believed that the applicability of the programme was excellent in terms of first hand exposure to implantology. While most students agreed that the programme was well organized, the most common recommendations included the need for practice with more models and instrument sets and actual planning on patients.
Program summary, analysis & recommendation	<p>A two day Lecture and Hands-on Programme on "Advanced Surgical Skill Simulation Course For Oral Implantology" was organized by Department of Oral and Maxillofacial Surgery, Department of Periodontics and Department of Prosthodontics along with the Scientific Academic Forum on 1st and 2nd July 2022.</p> <p>The Venue for the Programme was Pre-Clinical phantom head Lab, Department of Conservative Dentistry and Endodontics, ACDS.</p> <p>The Programme received an enthusiastic and overwhelming response</p>

Sponsors	<p>from 50 participants including faculty and postgraduates on both the days.</p> <p>Day 1</p> <p>DATE- 1st July 2022</p> <p>The Programme started with an introduction to Course Director Dr. Pinaki Sen by the Principal, Dr. S.Subramanya Sharma in the presence of the guests of honour Colonel B P Panda (VSM, Commanding Officer) MDC Secunderabad.</p> <p>An introductory lecture titled "Steps in Horizontal and Vertical ridge augmentation" by Course Director Dr Pinaki Sen set the tone for the course.</p> <p>This was followed by live demonstration on Surgical site augmentation on medium density fibre board (mandible) by Dr Pinaki Sen .The participants were divided into 6 groups with a model for each group. The steps including incision, flap reflection, defect preparation at the alveolar ridge, bone graft harvesting from the donor site, usage of particulate bone graft, release of periosteum, membrane adaptation and flap closure were done under constant supervision of the Course director.</p> <p>The third session was the demonstration of sinus lift procedure on goat model (goat head) and harvesting the bone graft using piezotome by Dr Pinaki Sen. The participants were directed to perform the same on the goat model and were closely supervised.</p> <p>DAY 2</p> <p>DATE- 2nd July 2022</p> <p>Time: 08:30am to 2:30pm</p> <p>The workshop started with an interactive session where the participants were provided with an opportunity to clear their queries and doubts about the previous day's session. This was followed by the first session demonstrating window preparation for sinus lift on egg by Dr Pinaki Sen using Piezotome and the participants were directed to perform the same on their model.</p>
----------	---

The second session of the day included live demonstration of placement of zygomatic and pterygoid implants on dry skull by Dr Pinaki Sen and the participants were asked to perform the same on stereolithographic model of mid-face

The Third session was an interesting session on demonstration working of intraoral scanner and 3D printer.

Analysis

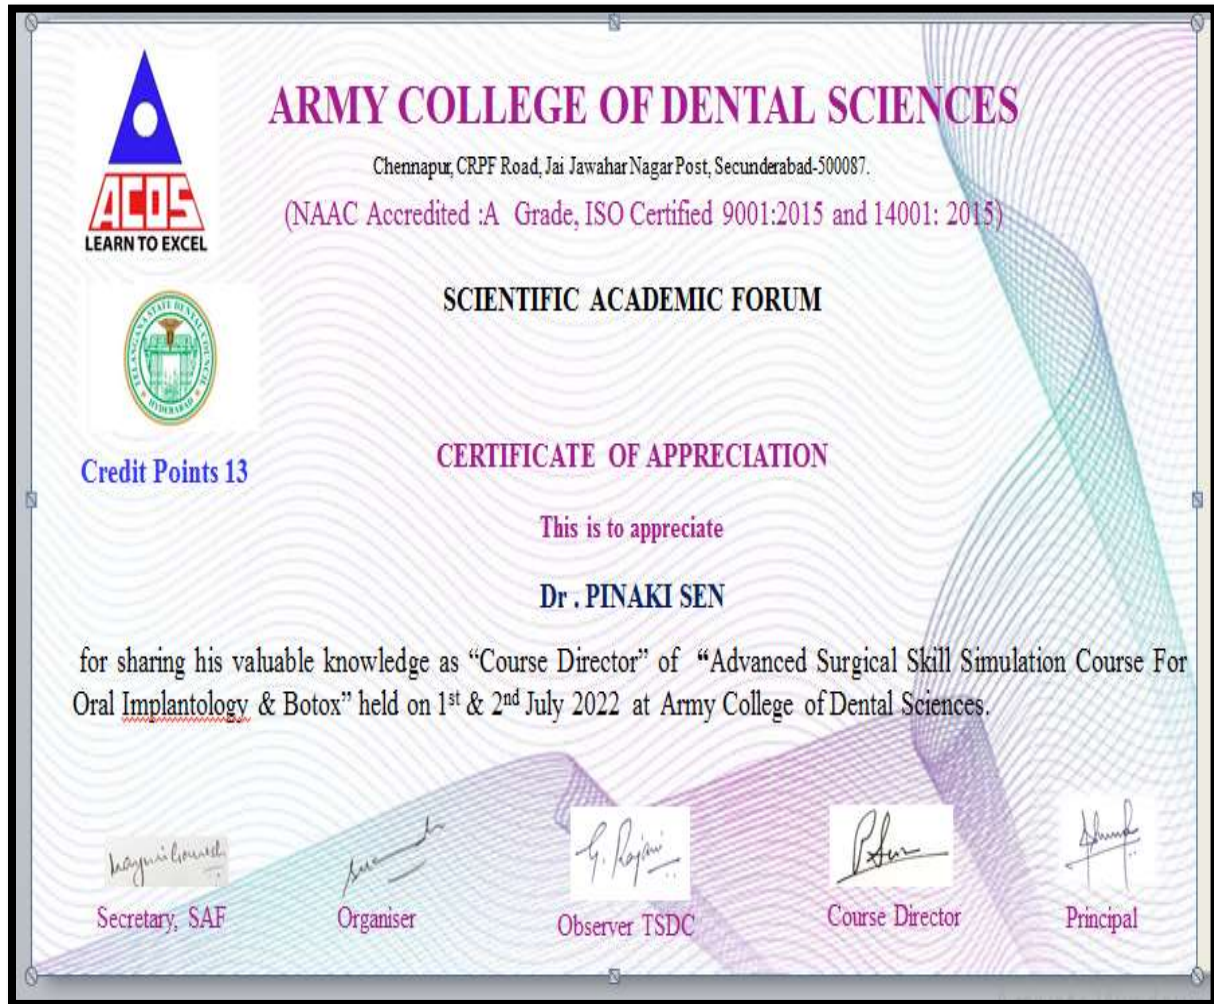

- 97.3 % rated the overall content of the programme as excellent & 2.7 % as good.
- 91.9 % agreed with "definitely yes" for the criteria resource material were current and relevant to discussion and 8.1 % with "yes".
- 97.3% agreed with yes for the criteria "Do you think the programme will be helpful in the future course of your career and 2.7% responded with maybe.
- 58.3% rated appropriate use of Audio Visual aids as "excellent", 38.3% as "good" and 3.4% as "fair".
- Learning Objectives were "clear" for 48 respondents and "neutral" for 2.
- Course content was well organized according to 46 respondents and it was neutral for remaining 4.
- 59.2% believed the applicability of the programme was "excellent", 37.5% good while 3.3% rated it average.
- 75.8% believed future sessions on the subject were necessary, 7.5% responded with a no and 16.7% with maybe.
- 66.7% believed the applicability of the programme was "excellent", 41.9% good while 4.8% rated it average.
- 94.6% respondents wanted future sessions on the topic and 6.4 % responded with maybe.

Future - Recommendations :

- a) Frequent sessions and information regarding technological advancement in implant dentistry
- b) More hands on courses to be organized.

INTRAORAL SCANNING IN ORTHODONTICS – LECTURE & HANDS ON PROGRAM

1. Scientific Academic forum of ACDS along with Department of Orthodontics is organising 'Intraoral Scanning In Orthodontics – Lecture & Hands On Program' on 21st October 2022.

S.No	TIME	TOPIC	PRESENTER	VENUE	PROFESSIONAL LEVEL PARTICIPANTS
1.	9:30am - 10:00am	Introduction/Opening Remarks	Dr Prasad Chitra	Lecture Hall 4	Orthodontists-Practitioners, Staff and PG Students
2.	9:45am -10:45am	Lecture	Dr Prasad Chitra		
3.	10:45am - 11:00am	Tea Break		PG Lab - Ortho	
4.	11:05am - 12:30pm	Lecture	Dr Prasad Chitra	Lecture Hall 4	
5.	12:30pm - 1:15pm	Hands on: Live intraoral scanning with Medit i500	Dr Prasad Chitra	UG Lab - Ortho	
6.	1:15pm - 2:00pm	Lunch Break		PG Lab - Ortho	
7.	2:00pm - 3:30 pm	Live demonstration: Use of intra oral scanner for Virtual setup & Surgical treatment simulation	Dr Prasad Chitra	PG Clinic	
8.	3:30 pm - 3:45pm	Open Session Q&A – Closing Remarks		Lecture Hall 4	

(Dr S Subramanya Sharma)
Principal

RESOURCE PERSON DETAILS

PROFILE OF THE SPEAKER:

Dr Prasad Chitra is a doctoral research scholar (PhD) in orthodontics at Ramaiah University of Applied Sciences, Bengaluru, India. He has membership in orthodontics (MOrthRCS) from the Royal College of Surgeons, Edinburgh and in dental Orthopedics (MDORCPS) from the Royal College of Physicians and Surgeons of Glasgow. He also has Master of Dental Surgery from Rajiv Gandhi University of Health Sciences, Bengaluru. Dr Chitra has over 22 years of teaching experience and is presently working as Professor and Head, Orthodontics & Dentofacial Orthopedics, Army College of Dental Sciences, Secunderabad, India, a NAAC Grade 'A' institution.

BROCHURE

The brochure is a promotional flyer for an event. It features a blue and white color scheme. At the top left, there are logos for ACDS and IOS. The main title is 'INTRAORAL SCANNING IN ORTHODONTICS - LECTURE & HANDS ON PROGRAM'. Below this, the venue, date, and time are listed. A central section titled 'PROFILE OF THE SPEAKER' contains a portrait of Dr. Prasad Chitra and a detailed biography. To the right of the biography is a 'REGISTRATION LINK' with a QR code and a URL. The bottom left shows an image of an intraoral scanner and a laptop displaying a 3D dental model. The bottom right has a 'Medit /500' badge and a decorative grid of yellow dots.

PROGRAM SUMMARY

Date	21 st October 2022
Program Title	<u><i>Intraoral Scanning In Orthodontics – Lecture & Hands On Program</i></u>
Dept/committee	Orthodontics and Dentofacial Orthopedics
Program Type	Lecture & Hands-on course
Venue	Lecture hall 4, ACDS PG & UG Preclinical Operative lab, ACDS
Resource person & Topic	Dr. Prasad Chitra MDS, MOrth RCS, MDORCPS
Co-Ordinator name	Dr. Prasad Chitra Dr. G Pradeep Raj
Permission details	Principal Office, ACDS
CDE points	3
No of Registrants/Participants	70 (expected)
Expenses	Rs. 20,000/-
Balance	-
Feedback summary	The training program met the expectations of delegates in terms of organization of the lecture and hands on, meeting of training objectives, time allotted, material and content along with delivery of presentation by the speaker. Delegates, however, reported that visibility of the screen from the end of the room was poor.
Program summary, analysis & recommendation	<p>Program Summary: The program was a combination of lecture, live bonding and hands-on on the topic of intraoral scanning especially on how to properly use intraoral scanners to take accurate impressions, quickly and efficiently.</p> <p>Program analysis: The programme was a success, with more orthodontists from Telangana and Andhra Pradesh participating than projected. The programme drew orthodontists from both academia and practice, with the bulk of residents coming from orthodontic programmes. 93.8% of delegates would recommend the program to colleagues and</p>

	<p>inculcate the same in their clinical practice.</p> <p>Future Recommendations:</p> <ol style="list-style-type: none">1. Use of intra oral scanner with 3D modelling and printing

DENTAL EDUCATION UNIT & SCIENTIFIC ACADEMIC FORUM

FACULTY INDUCTION PROGRAM

PROGRAM SUMMARY

Date	02 nd to 04 th January 2023
Program Title	Faculty Induction Program
DEU Program no	ACDS/DEU-SAF/1-23
Dept/committee	Dental Education Unit & Scientific Academic Forum
Program Type	Orientation program
Venue	Lecture Hall 4, ACDS
Resource person & Topic	<ol style="list-style-type: none">1. Outcome Based Education and Student Centered Learning (Dr Gyanda Mishra, Dr Shubhnita Verma, Senior Lecturers, Dept of orthodontics, ACDS)2. Team Building and Leadership (Dr S Subramanya Sharma, Principal, Prof and Head, ACDS)3. Principles of Adult Learning (Dr Gyanda Mishra, Senior Lecturer, Dept of Orthodontics, ACDS)
Co-Ordinator name	Dr. Gyanda Mishra, Member, DEU
Permission details	Principal Office, ACDS
No of Participants	12
Expenses	Rs. 850/-
Feedback summary	Positive feedback was received from all the participants. The program was rated excellent by 73% of the participants and very good by 27%. Lectures were engaging with good examples and interesting audio-visual aids. Interactions, didactic games and questionnaires encouraged the participants to actively take part in the program.

Program summary, analysis & recommendation

An induction Program was conducted by the Dental Education Unit and the Scientific Academic Forum of Army College of Dental Sciences for the newly inducted as well as recently promoted faculty of ACDS. The program began with an icebreaking activity which required the participants to solve puzzles in teams followed by introduction and overview of the paradigms of Outcome based education giving an insight on basics of teaching like goals, objectives, competencies, programs, courses, Units, Teaching and Learning methods, methods of training in clinical skills and assessment of knowledge and skills. The next program was on effective leadership and team building which was made interactive and participative through various didactic games, discussions and informative videos. The last program covered the basic principles of andragogy and how to incorporate the same in lesson plans. The participants appreciated the program and recommended more follow-up sessions, practical workshops, soft skill lectures, activities involving students and teachers to build better relationship and hands-on workshop with various teaching and assessment methods. Some participants also requested an early morning session for future programs instead of afternoon sessions.

OUTCOME BASED EDUCATION

Timestamp	Designation	Do you think further sessions on the subject are necessary?	What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
1-3-2023 18:09:39	Senior Lecturer	Yes	Team work leads to betterment of self and the institution with good outcome.	Excellent	Early hours classes would be helpful	Looking forward to gain more knowledge regarding team work
1-4-2023 10:12:30	Professor	Maybe	How teaching learning has evolved...curriculum planning	Excellent	None	Soft skills
1-4-2023 10:16:30	Senior Lecturer	Yes	How the objectives and methods of teaching are evolving.	Good	More follow up sessions on the practical application of the methods discussed	Follow up practical session
1-4-2023 11:51:42	Reader	Yes	Student centric education to make them a better professional	Excellent	None	None
1-4-2023 12:19:40	Senior Lecturer	Yes	Very Unique way of presenting and sensitising things.	Excellent	It's perfect as it is	Need further programmes like this to keep us updated and interact with each other.
1-4-2023 14:03:10	Senior Lecturer	Yes	Collective we stand divided we fall	Good	Time management	Can be more illustrative

TEAM BUILDING & LEADERSHIP

Timestamp	Designation	Do you think further sessions on the subject are necessary?	What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
1-4-2023 12:21:28	Senior Lecturer	Yes	Very Unique and Informative	Excellent	It's perfect as it is	Need further programs like this
1-4-2023 13:18:13	Reader	Maybe	What it takes to be a teacher leading students	Excellent	Time management	Soft skills , teacher training programme
1-4-2023 14:04:50	Senior Lecturer	Yes	Principles of adult learning	Good	More illustrative	Time management
1-4-2023 14:54:15	Reader	Yes	Andragogy and its principles	Excellent	Program was really good	Same program for all faculty
1-4-2023 15:08:25	Senior Lecturer	Yes	Principles of andragogy	Excellent	None	None
1-4-2023 15:10:13	Senior Lecturer	Yes	Concepts of adult learning Vs Pedagogy	Excellent	It's perfect as it is	Regular such programs will enhance continuous upgrading of newer teaching methods

PRINCIPLES OF ADULT LEARNING

Designation	Do you think further sessions on the subject are necessary?	What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Senior Lecturer	Yes	Familiarised with different team building methods	Excellent	Early hours session	Looking forward for regular upgradation programs
Reader	Maybe	Team work	Excellent	More teacher binding exercises for all faculty	Teacher training program
Senior Lecturer	No	How to build effective team and leadership qualities	Good	The timeline can be improved upon	Nil
Reader	Yes	To be a less critic and taking the team along	Excellent	None	None
Senior Lecturer	Yes	Very Unique and Informative	Excellent	It's perfect as it is	Need further programs like this
Reader	Maybe	What it takes to be a teacher leading students	Excellent	Time management	Soft skills , teacher training programme
Senior Lecturer	Yes	team work and team building	Good	More illustrative	Time management
Reader	Yes	building a team	Excellent	Program was really good	Same program for all faculty
Reader	Yes	team work	Excellent	None	None
Senior Lecturer	Yes	team building	Excellent	It's perfect as it is	Regular such programs and more interactive activities sessions

RESEARCH METHODOLOGY & BIostatISTICS WORKSHOP
FEEDBACK ANALYSIS

DAY 1

What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Contrasts	Excellent	-	-
Never give up	Excellent	-	Well organized
It is possible	Excellent	-	-
Photography has a wide range of applicability in dentistry too. And proper documentation is very important and useful.	Excellent	Individual interactions with the students related to the topics could have been done.	Related aspects of different branches could also be included in future programs.
It is possible	Excellent	More interactive	More interactive
Publication importance	Excellent	Perfect program	Impact factor of article
Gained lot of awareness for what i was seeking for. Very informative and well put forward . VERY INSPIRING	Excellent	Excellent program	More programs on how to conduct research . The right steps from day 1 and how to organise research work
Research importance and how it is possible to publish in impact journals and photography	Excellent	More interactive sessions	More sessions with eminent faculty all around.
	Excellent		
Keep trying and learn for ur failures	Excellent	With some demo shown about dental photography	Some clinical case discussions
Any case done and not published has not been done.	Excellent	Dr. Nirmal sir was amazing. His knowledge about the topic and his way of presenting the topic was extremely good.	None.
Photography in dentistry lessons and mistakes to avoid while article publishing	Good	The lecture was excellent	Please keep lectures like these
Publication guidance	Excellent	Nil	Nil
High impact journal publications	Excellent	Excellence program	Excellent program
High impact research publications	Excellent	Interactive session	Yes definitely required
Publications	Good	No need	Yes
Research methodology is important aspect for every	Excellent	It should not be that much long	It should be conducted in every 6months

student			
Photography	Excellent	Overall programme is good	More programmes
In which journal article have to publish	Good	In the 2nd session should have kept the session which is relevant to other departments instead of CD.	More about biostatistics
How to aim for big journals	Excellent	Some more illustrations	Workshop on implants
Never give up	Excellent	Program content can be more precise and to the point .	Mental health issues related
Publications are possible on any and every topic.	Excellent	-	Similar relevant events to be conducted more.
Better to publish in a well indexed journal than publishing in a predatory one	Excellent	-	-
Evidence based dentistry	Excellent	-	-
Dedication is what it matters	Excellent	Hands on session in dental photography	Give more opportunity to the students for research programs
How to differentiate between bogus journals and standard ones... And what are the ways which can help us to get our articles published in standard journals.	Excellent	-	-
Dental photography and publishing articles	Excellent	Its all and all good	Something related to Periodontology
Research methods	Excellent	Not required	Biostatistics
Tips on getting good publications	Excellent	Lecture on complete denture should not be clubbed with research methodology	Nil
	Excellent		

DAY 2

What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Help ful in research	Excellent	More examples	No
Normal curve	Excellent		
Learnt how to do pubmed	Excellent	Good program	What after bds
Data interpretation	Good	Liked the teaching	Please more sessions
How to start a research	Good	By improving the sitting and lighting management	Same topics with new example
Learning statistics	Excellent	-	-
Biostatistics	Excellent	More interactions	More programmes in the future
Hypothesis formulation	Excellent	Perfect program	How to write synopsis for pg students
Research methodology	Good	It was good but more practical workshop can be done	Systematic reviews in LD
Theoretically sampling and biostatistics. And different methods of Research.	Excellent	Interactive sessions.	More sessions and group activities involved.
Research methodology	Excellent	More interactive	More interactive
How to search the articles	Excellent	Better wifi facility	About meta analysis and systemic reviews
Dental photography was excellent	Excellent		Definitely yes
Statistics and introduction to various studies	Excellent		Definitely yes
Learning about the basics of biostatistics and how to use them in our research and articles.	Excellent	-	A general test on the topic would be very helpful for our revesion.
Research methodology	Excellent	-	-
Learning new techniques for our thesis, LD and short studies	Excellent	The programme was excellent	I would like to know better about meta analysis
Informative	Excellent	Good	Good
Familiarity with bio statistics	Excellent	More interactive session	More examples should be included
Research question frame	Excellent	Excellent program on research	-
Good knowledge about statistics and studies	Excellent	All good	Need same sessions in future

Do most of the statistical analysis yourself, don't depend too much on the statistician	Excellent	More group based activities	
Biostatistics	Excellent	Not required	Rct
Basic biostats	Excellent	Nil	One additional session for biostats and research design for systematic reviews, meta-analysis, etc
Difference between terms detailed explanation	Excellent	I think the program was good	Speaker was good. Gained so many insights.
What are the different types of analysis	Excellent	Audio-visual aids need to be improved	More such programmes about biostatistics
	Excellent		
Selection of topics ,title framing and methodology for research	Good	More detailed explanation regarding predatory journals	Focus on the identification of predatory journals would be helpful

DAY 3

What were your key takeaways from the program?	Overall feedback on the program	Please give your thoughts as to how the program could be improved.	Recommendations for future programs.
Research	Excellent	More examples, network	No
Mendeley reference manager	Excellent	.	.
Good	Excellent	Good program	.
How to use pubmed	Excellent	More of interactive session	.
Pubmed shortcuts	Excellent	-	-
How to use pubmed and mendley	Excellent	Next session should be in a good Wifi zone.	Mental health
Pubmed and mendley articles search	Good	More detailed mendley search	Systematic reviews
Good lecture	Good	Good lecture	Need more sessions like this in the future
To invest my time in future in research	Good	Visual aids	Nil
Observational study design	Excellent	Syatematic review research discussion	Yes
Mendeley software	Excellent	Perfect program	NA
How to use pubmed and mendley online resources for the better and advance ways in working for ones Research.	Excellent	More sessions that can include operational workshops and quizzes and group activities.	More interactive
Research methodology	Good	Review	No recommendations
Research methodology	Excellent	More interactive	More interactive
How to uepubmed and mendley	Excellent	Better wifi facility	More info about mendely
Clear idea about RCT AND OTHER STUDIES	Excellent	.	Definitely yes
Biostatistics	Excellent	-	-
The use of softwares like mendley and how to use pubmed to study about the references and articles	Excellent	-	Another session after some time just for the quick revision would be great.
Learning to use mendley makes our thesis easier.	Excellent	One of the best workshops I've attended on research methodologies	Meta-analysis and systematic review
Informative	Excellent	Good	Good
-	Excellent	-	-

Familiarity with the research articles, mendeley app	Excellent	Interaction about systematic reviews	Workshop on meta-analysis and systematic review
Mendeley software	Excellent	-	-
Got to use article sites	Excellent	Need more sessions like this	Recommend more in future
Importance of proper referencing and deciding the type of study	Excellent	-	-
Biostatistics	Excellent	Not required	Cohort
Using reference managers	Excellent	Nil	Additional sessions on tips and tricks on MS office word, ppt and excel
Biostatistics	Excellent	Audio-visual aids need to be improved	Biostatistics
	Excellent

RESEARCH METHODOLOGY AND BIostatISTICS

1. Army college of dental sciences is conducting “Research Methodology and biostatistics” on 5th (Thursday), 6th (Friday) & 7th (Saturday) Jan 2023.
2. Program Schedule

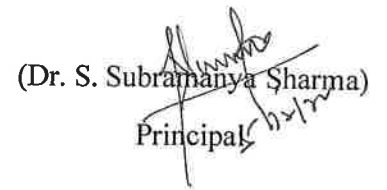

DAY 1			
(5th Jan 2023)			
Time	Session	Topic	Participants
8.30am- 9:00am	Registration		Postgraduates and Faculty of ACDS
9:00am - 9.30 am	Inauguration		
9.30am -11.00am	Session 1 (Dr.Nirmal Kurian)	How to publish in high Impact Journal <i>Experiences & Recommendations</i>	
11.00am-11.15am	Tea break		
11.15am-11:45pm	Session 1 (Dr.Nirmal Kurian)	Research Profile	
11.45am-1.30pm	Session 1 (Dr.Nirmal Kurian)	Basic of dental photography	
1:30pm-2:00pm	Lunch break		Undergraduate Postgraduates and Faculty of ACDS
2:00pm-4.30 pm	Session 2 (Dr.Nirmal Kurian)	Complete denture revisited <i>Practical tips for predictable results</i>	
Felicitation program			

DAY 2			
(6th Jan 2023)			
Time	Session	Topic	Participants
8.30am-10.30am	Session 3 (Dr.Umesh wadgave)	Introduction to Research Methodology	Postgraduates and Faculty of ACDS
10.30am-11.00 am	Tea break		
11.00am-1.00pm	Session 4 (Dr.Umesh wadgave)	Study Design: Observational	
1.00pm-1.30pm	Lunch break		
1.30pm-3.00pm	Session 5 (Dr.Umesh wadgave)	Study Design: Experimental	
3.00pm-4.00pm	Session 6 (Dr.Umesh wadgave)	Sampling Methods	
DAY 3			
(7th Jan 2023)			
Time	Session	Topic	Participants
8.30am-9.30am	Session 7 (Dr.Umesh wadgave)	Basic Descriptive Biostatistics	Postgraduates and Faculty of ACDS
9.30-10.45am	Session 8 (Dr.Umesh wadgave)	Inferential Biostatistics	
10.45am-11.00 am	Tea break		
11.00am-12.30pm	Session 9 (Dr.Umesh wadgave)	Ethics in Research	
12.30-1.00pm	Session 10 (Dr.Umesh wadgave)	Literature search techniques	
1.00pm-2.00pm	Lunch break		
2.00pm-2.30pm	Session 11 (Dr.Umesh wadgave)	Basics of Microsoft Excel (Data entry and Analysis)	
2.30pm-3.00pm		Mendley Desktop Software (Reference Manager)	
4.00pm-4.30pm	Felicitation program

Madam,

Sub: - Award of Credit points – reg.
Ref: - Your application form dated 27/12/2022.

In reference to your application for award of credit points towards the CDE Program “Research Methodology And Biostatistics” being conducted by the Army College of Dental Sciences, Hyderabad on the 5th, 6th and 7th of January 2023. I am pleased to inform that the Telangana State Dental Council (TSDC), in accordance with Continuing Dental Education regulations, 2018 has awarded:

- 18 (Eighteen) Credit points towards the CDE program.
- Double Credit points to each speaker taking part in the CDE.

In this regard I would like to inform you that the Telangana State Dental Council appointed Dr. S. Chetan Kumar, MDS – Professor & Head, Dept. of Orthodontics, MRIDS, Hyderabad as an observer for the program. The observer shall put his signature on every CDE program certificate for the validity and He shall be designated as “Observer, TSDC” on the certificate. (Contact Observer @ 9912879113)

PROGRAM SUMMARY

Date	5 th ,6 th ,7 th Jan 2023
Program Title	3 Day Workshop On Research Methodology and Biostatistics
SAF Program no	ACDS/SAF/2023/2
Department/committee	Scientific Academic Forum
Program Type	Lecture and Workshop
Venue	Lecture Hall 4 and Library, ACDS
Resource person & Topic	<p>DR. NIRMAL KURIAN: (5th jan) BDS, MDS (Prosthodontics) Diplomate – Indian Board of Prosthodontics Associate Professor, Vice Principal (Research & Innovation) Christian Dental College, Ludhiana</p> <p>DR.UMESH WADGAVE (6th and 7th jan) BDS, MDS (Public Health Dentistry), PG Diploma - Bioethics Freelance Research & Biostatistics Consultant, Chief Dentist: Wadgave’s Dental Home, Bidar, Karnataka</p>
Co-ordinator name	Dr.Mayuri Ganesh, I/C Secretary, SAF and Dr. Navaljeet Kaur, Senior Lecturer, OMFS, ACDS
Permission details	Principal Office, ACDS
No of Participants	40
Total expenditure	Rs. 57,164
Income generated	Rs 30,000
Net expenditure	Rs 27,164
Feedback summary	<p>Overall positive feedback</p> <p>App 80% rating was excellent, 20% was good.</p> <p>The key takeaway was</p>

	<p>1.To focus on high impact journals and to keep working on publishing .</p> <p>2.Importance of Dental photography,</p> <p>3.Use of databases like Pubmed and Mendeley</p> <p>4. Study design,Reseach formulation and biostatistics.</p> <p>In terms of room for improvement-,More interactions with quiz and questionnaire on the topic,More group based activities during workshop and better wifi connectivity were a few important feedback pointers received.</p>
<p>Program summary, analysis & recommendation</p>	<p>DAY 1 (05-01-2023)</p> <p><u>DR. NIRMAL KURIAN (PROSTHODONTIST), VICE PRINCIPAL (Research and Innovation) CDC, Ludhiana</u></p> <p> LH 4,  8:30 AM</p> <p>SESSION-1-HOW TO PUBLISH IN HIGH IMPACT JOURNALS</p> <p>Lt. Col Munish Verma from MDC Secunderabad joined in for the morning session on day 1.</p> <p>Dr Nirmal started the lecture with this statement about publishing in high impact journals- 'Research not published is research not done.'Everything from a clinically relevant topic to current research based topic which can be beneficial to both patient and practitioners must be published in good journals according to him. He emphasized that the key to good research is to be observant and innovative.</p> <p>He also mentioned the importance of creating research profiles using resources available online like ORCID,</p>

ResearchGate, Web of science, Google Scholar

SESSION-2- IMPORTANCE OF DENTAL PHOTOGRAPHY

Dr Nirmal reiterated that Quality photography in daily practice gives an edge in terms of results to a clinician. It also benefits the patient.

SESSION-3 -COMPLETE DENTURE REVISITED- PRACTICAL TIPS

Col BP Panda CO, MDC Secunderabad joined the workshop for this lecture by Dr Nirmal..

Dr Nirmal shared tips in various steps of fabrication of complete denture which can make a difference for quality denture delivery.

He reiterated that one must read standard textbooks in depth, apply the concepts clinically, learn from errors made repeatedly to learn the art of Complete denture Fabrication

DAY 2 (06-01-2023)

DR. UMESH WADGAVE (PUBLIC HEALTH DENTIST) PG DIPLOMA-BIOETHICS

 Library  08:30 AM

SESSION 1-BASICS OF RESEARCH METHODOLOGY

SESSION 2 -SAMPLING METHODS

SESSION 3-STUDY DESIGNS – OBSERVATIONAL AND EXPERIMENTAL

Maj. Gaurav Gupta, MDC Secunderabad joined in for lectures

on day 2.

Dr. Umesh Wadgave started the workshop with a brief introduction to Research methodology. He explained with simple examples and connected brilliantly with the young minds. He then taught the participants how to frame a research question. He also explained about

He then covered topics of study design, importance of sampling in research. He also explained briefly about measures of central tendencies. The students were provided with some assignments after each session to make the workshop interactive and also to assess each participant's level of understanding.

DAY 3(07-01-2023)

DR. UMESH WADGAVE (PUBLIC HEALTH DENTIST) PG DIPLOMA-BIOETHICS

 Library  08:30 AM

SESSION 1 - DESCRIPTIVE AND INFERENCE STATISTICS

SESSION 2- HOW TO USE PUB-MED AND MENDELEY REFERENCE MANAGER

Lt. Col Saurabh Sharma, MDC Secunderabad joined in on Day 3 of the Workshop.

Dr. Umesh started the day by throwing light on importance of latest technological resources in research. He then went on to explain about the descriptive and inferential statistics. He

gave a brief insight into case control and cohort studies and the participants were taught how to calculate the odds ratio and relative risk.

He explained in brief about randomized and non randomized control trials in experimental epidemiology.

This was followed by a brief questionnaire which was well received by the participants.

He then explained how to search medline database using pub-med search engine and went on to show how to use mendeley reference manager software for ease of referencing in articles.

Future recommendations included :

Repeated sessions on the same topic,

Session on how to write Systemic review and Meta analysis,

Tips and tricks in Microsoft office-word,excel,powerpoint.

Madam,

Sub: - Award of Credit points – reg.
Ref: - Your application form dated 27/12/2022.

In reference to your application for award of credit points towards the CDE Program "Research Methodology And Biostatistics" being conducted by the Army College of Dental Sciences, Hyderabad on the 5th, 6th and 7th of January 2023. I am pleased to inform that the Telangana State Dental Council (TSDC), in accordance with Continuing Dental Education regulations, 2018 has awarded:

- **18 (Eighteen) Credit points towards the CDE program.**
- **Double Credit points to each speaker** taking part in the CDE.

In this regard I would like to inform you that the Telangana State Dental Council appointed Dr. S. Chetan Kumar, MDS – Professor & Head, Dept. of Orthodontics, MRIDS, Hyderabad as an observer for the program. **The observer shall put his signature on every CDE program certificate for the validity and He shall be designated as "Observer, TSDC" on the certificate. (Contact Observer @ 9912879113)**

ACADEMIC CIRCULAR

RESEARCH METHODOLOGY AND BIostatISTICS

1. Army College of Dental Sciences is conducting a workshop on “Research Methodology and Biostatistics” on 5th (Thursday), 6th (Friday) & 7th (Saturday) Jan 2023.
 - TSDC Credit points: 18 points
2. Resource Person
 - **DR. NIRMAL KURIAN:**
BDS, MDS (Prosthodontics) Diplomat – Indian Board of Prosthodontics Associate Professor,
Vice Principal (Research & Innovation) Christian Dental College, Ludhiana
 - **DR. UMESH WADGAVE**
BDS, MDS (Public Health Dentistry), PG Diploma - Bioethics Freelance Research &
Biostatistics Consultant, Chief Dentist: Wadgave's Dental Home, Bidar, Karnataka
3. Program Schedule:
 - DR. NIRMAL KURIAN (5th Jan)
 - How to publish in high Impact Journal (*Experiences & Recommendations*)
 - Research Profile
 - Basic of dental photography
 - Complete denture revisited (*Practical tips for predictable results*)
 - DR. UMESH WADGAVE (6th and 7th Jan)
 - Introduction to Research Methodology
 - Study Design: Observational
 - Study Design: Experimental
 - Sampling Methods Basic Descriptive Biostatistics
 - Inferential Biostatistics
 - Ethics in Research
 - Literature search techniques
 - Basics of Microsoft Excel (Data entry and Analysis)
 - Mendley Desktop Software(Reference Manager)
4. For Postgraduates, Interns and interested faculty
5. Registration fee: Rs 750 /

EDUCATION

2014 - 2017

**Christian Dental College,
CMC Ludhiana**

Master of Dental Surgery (MDS)
Prosthodontics (Gold Medalist)

2006 - 2011

**Christian Dental College,
CMC Ludhiana**

Bachelor of Dental Surgery
(Gold Medalist)

WORK EXPERIENCE

2022 - Present

Christian Dental College

**Associate Professor, Research Guide,
Senior Consultant**

Research guide to post graduate residents.
Head of Pre Clinical Prosthodontics Program.
Author in scientific publication in leading academic
journals. Reviewer of Journal of Prosthetic Dentistry
(Elsevier).

Special interest in Biomimetic restorations, Ceramic
veneers, full mouth implant prosthesis

2018 - 2021

Christian Dental College

Assistant Professor

Junior consultant in Prosthodontics clinics.
Special interests in full mouth implant prosthesis and
all-ceramic indirect restorations. In charge of academic
sessions of final year undergraduate students.
Authored multiple international scientific papers.

2011-2013

Christian Mission
Hospital,
Mungeli, Chattisgarh

General Dentist

As the sole dentist in 50km radius, independently
managed a dental clinic in rural India, providing basic to
advanced dental services along with trauma care and
assistance to medical practitioners

Subject: Invitation as Guest Speaker for Workshop on Research Methodology

Respected sir,

Warm greetings from Army College of Dental Sciences,Secunderabad.

We are honoured to invite you at our prestigious institute for sharing your knowledge in the field of Research Methodology. Your expertise and experience in this field of work will be an excellent addition to our 1 day programme to be held on 5th January 2023 on Research Methodology as related to Dental Higher Education for Under graduates, post graduates and faculty.

We look forward to an early positive response, so we can apply for DCI credit points and arrange logistics.

(Kindly share your resume, programme schedule proposal and travel details for logistics)

Thanking you

Warm Regards,

Secretary, SAF

This was followed by a lecture on Writing Outcomes ,Developing Outcomes from competencies including a</p>

Workshop on writing outcomes by Dr. Vamsi Lavu.

Dr. Devi then spoke about Interactive and Innovative teaching methods.

The entire day one session focused on workshops and teaching strategies that were student-centric.

Day 2

Day 2 was an early session that included modern techniques for evaluating students' proficiency in dentistry.

Dr. Ram Sabarish Introduced the attending participants to assessment protocol. He also shared how to develop a plan for internal assessment and formative assessment.

Dr. Priya then took the session on Assessment planning and quality assurance. She also reiterated the importance of Writing the correct essay question, short answer question and MCQ in alignment with learning outcomes.

For practice, worksheets on framing competencies in skill assessments and learning outcomes were provided.

All participants agreed that the OSCE quiz and the quiz on memes were the most interesting activities. Most of the attendees emphasized the need for follow-up sessions and more practical training.

PROGRAM REPORT

FACULTY DEVELOPMENT PROGRAM ON BASIC DENTAL TECHNOLOGIES

ACDS hosted a 2 day faculty development program on 18 April 2023 and 19 April 2023 in association with Sri Ramachandra Institute of Higher Education, Chennai on Fundamental Dental Technologies. The entire program was planned and executed by the DEU, SAF, and PIDT committees. The program was attended by 40 members in total, including Senior lectures, Readers, and Professors. Dental Officers from MDC Secunderabad, Bolarum and Golconda also attended the workshop.

Day 1

The program began with the lighting of the lamp, followed by introduction of the speakers.

Dr. Narsimman began the program with a brainstorming session. Group exercises were used in the icebreaking session. Dr. Rupa took the next session on Effective clinical and practical skill teaching. This was followed by a lecture on Writing Outcomes. Developing Outcomes from competencies including a Workshop on writing outcomes by Dr. Vamsi Lavu.

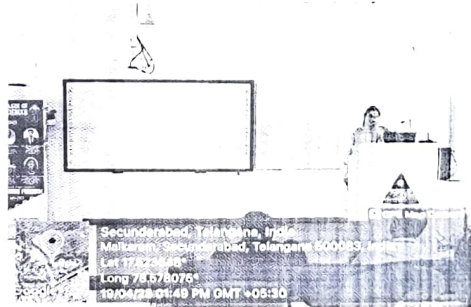

Dr. Devi then spoke about Interactive and Innovative teaching methods. The entire day one session focused on workshops and teaching strategies which were student-centric.

Day 2

Day 2 was an early session that included modern techniques for evaluating students' proficiency in dentistry. Dr. Ram Sabarish introduced the attending participants to assessment protocol. He also shared how to develop a plan for internal assessment and formative assessment.

Dr. Priya then took the session on Assessment planning and quality assurance. She also reiterated the importance of Writing the correct essay question, short answer question and MCQ in

alignment with learning outcomes. For practice, worksheets on framing competencies in skill assessments and learning outcomes were provided. All participants agreed that the OSCE quiz and the quiz on memes were the most interesting activities. Most of the attendees emphasized the need for follow-up sessions and more practical training.

WORKSHOP IN PROGRESS

FEEDBACK ANALYSIS DAY 1

Did you understand the purpose of this faculty development program?	Did you have sufficient resource materials to prepare for the program?	Did this training program match up to its intent and purpose?	Was the program interactive and engaging? if not, which sessions did you not find engaging enough?	What were your favorite activities?	What activity/aspect of the program you didn't like?	Any suggestions for improving the program in future?
Yes	Yes	Yes	2nd	Crossing river and kahoot	-	None
Yes	Yes	Yes	Yes	Group activities	-	
Yes	Yes	Yes	Yes	Kahoot	Everything was good	Perfect
Yes	Yes	Yes	Last 2 sessions were a little confusing, could be better with more examples and dental education related examples	All were good		It should be a 3 day program instead of 2 days, as there is so much to learn and practice
yes		yes	Very interactive.	All group activities	-	short sessions till afternoon
Yes	Yes	Yes		Ice breaking session played with boards.	All were nice	
Yes	Yes	Yes	Yes	Group activity of crossing the river with crocodile and brainstorming also the interactive quizzes on apps	All good	More grp activities and interaction based teaching
es	No	Yes	Yes	River activity for group dynamics	Nothing	No
Yes	Yes	Yes	Yes	River crossing and kahoot	Nil	Excellent program
Yes	Yes	Yes	Yes	Kahoot and river sailing activities	Everything was good	Nothing
Yes	Yes	Yes	Yes	Crossing the river	None	
Yes	Yes	Yes	Yes	Crossing the river, kahoot quiz	None	Some more worksheets or examples for framing the competencies and outcomes
yes		yes	Yes	Crossing the river and Kahoot	Cramming too many	Add PBL

					terminologies in short time	
	Yes	Yes	competencies and goald	kahoot amd group activity	none	none
	Yes	Yes	yes	kahoot		more live examples could have been more useful
Yes	No	Yes	Yes	Groups discussion	None	Nil
Yes	Yes	Yes	Yes	Group discussions	None	Nil
Yes	Yes	Yes	3rd	all	-	-
						More dental related methodologies
Yes	Yes	Yes	Yes	Kahoot and cross the river	Too many terminologies	
Yes	Yes	Yes	2nd	Crossing river and kahoot	None	None

FACULTY DEVELOPMENT PROGRAM ON BASIC DENTAL TECHNOLOGIES

FEEDBACK ANALYSIS DAY 2

Did you understand the purpose of this faculty development program?	Did you have sufficient resource materials to prepare for the program?	Did this training program match up to its intent and purpose?	Was the program interactive and engaging?if not, which sessions did you not find engaging enough?	What were your favorite activities?	What activity/aspect of the program you didn't like? Your answer	Any suggestions for improving the program in future?
Yes	Yes	Yes	Yes			
Yes	Yes	Yes	How to write question paper	How to write mcq questions	Nothing	Nothing
Yes	Yes	Yes	Yes			More detailed program
Yes	Yes	Yes	Yes	All	-	
Yes	Yes	Yes	Yes	Meme mcqs	Everything was good	PBL CBL programs
Yes	Yes	Yes	Yes	Memes	Nil	
Yes	Yes	Yes in 2 days they covered and taught as much possible	Yes	Meme quiz,osce quiz	-	video of the team practising teaching methods,idea of lesson plans
Yes	No	Yes	Yes			
Yes	No	Yes	Yes	Meme game in MCQ framing	Too much knowledge in too little time	Add more topics
Yes	No	yes	program was interactive and engaging	Quiz	time duration of program wished it was more elaborate and increased number of days	prgram was perfect
Yes	Yes	yes	yes			
Yes	No	Yes	Yes engaging	Kahoot, Group activity of crossing the river scenario	Work shop Activity as there is no Time	More interactive sessions can be done
Yes	No	Yes	Yes very much	Group discussions	None	None
Yes	Yes	No, needed more practice	Yes, quite interactive and	Sticky notes	Nothing	More practical session

		of writing the learning outcomes, competencies, lesson plans etc	interesting			
Yes	Yes	Yes	Yes	Kahoot	No	application
Yes	Yes	yes	yes	All	none	
Yes	No	Yes	Yes quite engaging	Meme activity in the MCQ rule test	Yes
