Outcome Report: Peer mentoring session at APS, Bolarum on 26 Oct 2021

1. This is to inform all faculty and students that a peer mentoring and the motivational interactive program was conducted by our interns at APS, Bolarum on 26 Oct 2021
2. The program was attended by 70 students of the school wherein interns from ACDS talked to senior secondary school students to apprise them of dentistry as a career and motivated them to take up dental education.
3. The interns also shared their preparation strategies for cracking various entrance examinations. School students actively engaged in educational conversations and received helpful advice about their future career options.
4. Our students also benefitted from the program by learning how to mentor and teach in an interactive learning environment and improve upon their communication, behavioral and social skills.
5. A letter of appreciation from Principal, APS, Bolarum is a testament to the success of the program and all participants deserve to be commended for wholeheartedly participating in the program and making the college proud.

Outcome Report: Peer mentoring session at APS, Bolarum on 11 Sep 2018

1. This is to inform all faculty and students that a peer mentoring and the motivational interactive program was conducted by our interns at APS, Bolarum on 11 Sep 2018.
2. The program was attended by 75 students of the school wherein interns from ACDS talked to senior secondary school students to apprise them of dentistry as a career and motivated them to take up dental education.
3. The interns also shared their preparation strategies for cracking various entrance examinations. School students actively engaged in educational conversations and received helpful advice about their future career options.
4. Our students also benefitted from the program by learning how to mentor and teach in an interactive learning environment and improve upon their communication, behavioral and social skills.
5. A letter of appreciation from Principal, APS, Bolarum is a testament to the success of the program and all participants deserve to be commended for wholeheartedly participating in the program and making the college proud.
