Guest Speaker Profile

Dr Prasad Chitra is a doctoral research scholar (PhD) in orthodontics at Ramaiah University of Applied Sciences, Bengaluru, India. He has membership in orthodontics (MOrthRCS) from the Royal College of Surgeons, Edinburgh and in dental Orthopedics (MDORCPS) from the Royal College of Physicians and Surgeons of Glasgow. He also has Master of Dental Surgery from Rajiv Gandhi University of Health Sciences, Bengaluru. Dr Chitra is presently working as Professor and Head, Orthodontics & Dentofacial Orthopedics, Army College of Dental Sciences, Secunderabad, India, a NAAC Grade 'A' institution.

Program Summary

Library Orientation Programme was designed to enlighten students about library services, resources, and policies that will assist them with their studies, research, and field work. Dr Prasad Chitra, Dean Academics and Mr Shashi Bhushan Kumar Librarian of Army College of Dental Sciences, led the library orientation. Students were taught how to use information resources through a demonstration manner during the workshop. Students learned that there are better ways to complete assignments, project work, and research than relying just on Google by using subscribed online resources such as PubMed, Science Direct, and KNIMBUS, as well as print materials such as books, journals, magazines, and CDs. Students were also given knowledge about authentic and unauthentic sources of information, as well as the benefits and drawbacks of each on learning behavior. Several people were introduced to open sources like National Digital Library along the process.
