the Institution, hold regular meetings to discuss and review the policies. These committees form a core part of the Institution and perform various duties such as managing the course (UG/PG) schedules, conducting university theory and practical examinations, coordinating NIRF, DCI, KNRUHS inspections, faculty, and student development and welfare programs, career guidance for the students, supervise patient-related services and OPD data, maintaining the sterilization protocol and waste management, handling of the security agency, hostel and mess, procurement of consumables and maintenance of equipment, addressing the grievances and conducting extracurricular and co-curricular activities and many more.

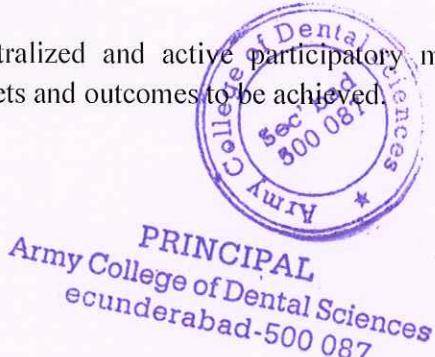

The decision-making process passes through various levels of governance which are assessed, evaluated, and implemented, the outcome of which is reviewed at frequent intervals.

At the department level, Professors, Readers, Lecturers, and tutors of all the departments ensure the implementation of the academic, research, and clinical activities for undergraduate and postgraduate students in their respective departments.

The department support staffs like technicians, dental hygienists, nurses, and other staff actively contribute to the seamless functioning of the departments. These are further monitored by the respective Heads of the departments.

The Administrative staff comprising of Superintendent, Adm. Supervisor, P.A. to the Principal, Accountant, receptionist, clerks, and other staff competently assist the Principal and Registrar in daily operations and undertakings of the Institution. Maintenance support staff meticulously perform their respective duties.

This cumulative contribution of decentralized and active participatory management has allowed for the Institution's planned targets and outcomes to be achieved.
