Summary

An induction program was conducted for the MDS Batch 2021 from 11th November to 22nd November, 2021. This one-week programme was initiated by Dr. Subramanya Sharma, Principal and coordinated by the Dental Education Committee. i.e. Dr. Krishna Priya, Dr. Ajay Reddy, Dr. Madhusudhana Rao, Dr. Soujanya, Dr. Pratima Soni and Dr. Sai geeta. The first day of induction program was graced by Dr. Subramanya Sharma, Principal, Col. P.G. Krishna, Registrar, Head of various departments and all the teaching faculty members. All first year MDS students and few parents attended the program. The program began with the lecture "Introduction to ACDS", by Dr. David Tyro, Senior Lecturer, Department of Oral and Maxillofacial Surgery, followed by the Welcome address by Principal Sir. Dr. Sukhvinder Bindra enlightened students with "Outcome based education programme". On the following days of the program, the MDS students were given an insight into topics like details of MDS Syllabus, mentorship program, Sexual Harassment, documentation of dental records, importance of clinical case recording, dental photography, effective seminar presentation, Research methodology, basics of biostatistics and bio ethics, Principles of Andragogy, interdisciplinary management of clinical cases, soft skills, PBL, CBL and computer skills by faculty members of various departments. They were also introduced to college committees, anti-ragging and code of conduct. Students visited all the Departments and interacted with Head of the Departments and faculty members. Faculty members explained about the facilities available in their departments. The overall program was well received by all the MDS 1st year students with positive feedback.

Human Values and Ethics

Army College of Dental Sciences organized a Lecture on the topic '**Human Values and Ethics**' on **21st Dec 2021** in the Lecture hall 4 at 9:00 am. All the students attended the lecture. Human values are the guiding principles of all our thoughts, beliefs, behaviour and actions. As the main anchor of our actions, they guide us towards our success. Professional ethics enshrines personal and institutional rules that govern behaviour within the context of a particular profession. Our Institution instils human values and professional ethics into the minds of the staff and the students to facilitate development of holistic perspective among them towards their personal and professional life.

Professional Ethics in Dentistry

Army College of Dental Sciences, conducted a lecture on 'Professional Ethics in Dentistry' on 9th May 2017 from 11:00 AM to 12:00 PM. All the faculty members, post graduates and undergraduates registered for the program and attended it in the college auditorium. The prime agenda was to assess and inculcate good human values and ethics in the children budding into professional. Dental ethics would mean **moral duties and obligations of the dentist towards his patients, professional colleagues and to the society**. These help support autonomy and self-determination, protect the vulnerable and promote the welfare and equality of human beings.
