## WORLD ENVIRONMENT DAY

World Environment Day was launched by United Nations General Assembly (UNGA) in 1972 which was the first day of the Stockholm Conference on the Human Environment. However, it was first observed in the United States in 1974 with the theme- 'Only one earth'. Started in 1974 by the United Nations, each year World Environment Day is hosted in a different country, with events focusing on a central theme. World Environment Day 2021 was held in Pakistan, with 'ecosystem restoration' as the central theme. Ecosystem restoration can take many forms: Growing trees, greening cities, rewilding gardens, changing diets or cleaning up rivers and coasts

In Army College of Dental Sciences to mark the celebrations of world environment day on June 05 2021 the Department of Public health dentistry organised an competition Themed "BEST OUT OF WASTE" for students, interns, PGs and staff of ACDS. Most of the students and staff participated in the competition.

On Occasion of World Environment day Staff Along with students and interns planted "Plant Samplings" in the campus of Army College of Dental Sciences.

## INTERNATIONAL YOGA DAY

The idea of an International Day of Yoga was first proposed by the current Prime Minister of India, Narendra Modi, during his speech at the United Nations General Assembly (UNGA), on 27 September 2014. Following this initial proposal, the UN adopted the draft resolution, and proclaimed June 21 as International Day of Yoga. The theme for the International Day of Yoga this year is 'Yoga for wellness'.

Army College of Dental Sciences Celebrated the International yoga on June 21<sup>st</sup> in the campus at Shusrutha Auditorium.
